Preface

The Authority is responsible for the listing of securities on the Exchange and is licensed to operate an investment exchange under the Protection of Investors (Bailiwick of Guernsey) Law, 2020.

Authority's Purpose: Our purpose is to provide a well-regulated listing and trading venue for issuers of global securities and their investors, thus promoting responsible economic growth.

Authority's Mission: Our mission is to constantly add value for all our stakeholders by providing a secure and high-quality service across a trusted, cost effective and efficient marketplace.

The Listing Rules:

- Govern the requirements for issuers to gain admission to listing and the continuing obligations of listing.
- Are subject to revision. Current copies of the Listing Rules are available on the Exchange's website. The Authority will inform Members of the Exchange of any revisions, who then inform the issuers whose securities are listed on the Exchange.
- Are not exhaustive. The Authority may impose additional requirements or special conditions where it considers it appropriate, in order to ensure that issuers demonstrate initial and ongoing suitability for listing.
- May be waived or modified by the Authority where it determines the issuer still demonstrates suitability for listing.

An issuer is expected to comply with all Listing Rules applicable to it and provide to the Authority without delay all the information and explanations that the Authority may reasonably require for the purpose of deciding whether to grant a listing, protect investors, ensure the orderly operation of the market, or to verify compliance with the Listing Rules.

Suitability for listing depends on many factors. Applicants for listing should appreciate that compliance with the Listing Rules may not of itself ensure an applicant's suitability for listing. The Authority retains the discretion to accept or reject applications and in reaching its decision will pay regard to the matters outlined in 'Operational Matters 3' (Rejection of Applications for Listing).

Applicants (including listed issuers) are encouraged to contact the Authority to seek informal guidance as to the suitability of a proposed application for listing at the earliest possible opportunity.

Neither the admission of any securities to the Official List nor the approval of any listing document pursuant to the Listing Rules of the Authority shall constitute a warranty or representation by the Authority as to the competence of the service providers or any other party connected with an issuer, the adequacy of information contained in the listing document or the suitability of an issuer for investment or for any other purpose. The Authority accepts no liability for any loss, damage, cost or expense whatsoever incurred by any person.

The Authority may provide additional guidance on any aspect of the Listing Rules and discussions take place in strict confidence subject to any legal or regulatory obligations with which the Authority must comply.

Principles

The Listing Rules require issuers to adhere to the following Principles, in order for investors to have and maintain confidence in the markets we operate.

Issuers are responsible for:

1. Treating all investors and holders of listed securities fairly, and all investors and holders of the same class of security equally.
2. Ensuring all disclosures and communications to investors are accurate and readily comprehensible by the intended readers and not misleading.
3. Following any applicable recognised code of corporate governance or any prescribed laws of their jurisdiction as an alternative and, where applicable, disclosing that to investors, or stating why they do not follow a code of corporate governance.
4. Ensuring securities are suitable for listing and remain suitable whilst listed.
5. Ensuring that sufficient and timely disclosure of information is made to investors so they are kept fully informed of all material factors which might affect their interests.
6. Ensuring holders of listed equity securities are given adequate opportunity to consider and vote upon major changes in the issuer's business operations, and matters of importance concerning the issuer's management and constitution.
7. Ensuring investors can trade and transfer their securities in a fair, efficient and effective manner as appropriate to the relevant investors.

Nothing in this code sanctions a breach of section 41A of the Protection of Investors (Bailiwick of Guernsey) Law, 1987, as amended (market abuse), the insider dealing provisions of the Company Securities (Insider Dealing) (Bailiwick of Guernsey) Law, 1996, as amended, or any other relevant legal or regulatory requirements.

2. the take-up of entitlements under a rights issue or other offer (including an offer of securities of the issuer in lieu of a cash dividend);

15. bona fide gifts to a PDMR by a third party.

Dealing by a PDMR

A PDMR must not deal in any securities of the issuer without obtaining clearance to deal in advance in accordance with the requirements of this code.

Clearance to deal

A director (other than the chair or chief executive) or company secretary must not deal in any securities of the issuer without first notifying the chair (or a director designated or other officer of the issuer nominated by the board for this purpose) and receiving clearance to deal from them (or that designated director or officer).

The chair must not deal in any securities of the issuer without first notifying the chief executive and receiving clearance to deal from them or, if the chief executive is not present, without first notifying the senior independent director, or a committee of the board or other officer of the issuer nominated for that purpose by the chief executive, and receiving clearance to deal from that director, committee or officer.

The chief executive must not deal in any securities of the issuer without first notifying the chair and receiving clearance to deal from them or, if the chair is not present, without first notifying the senior independent director, or a committee of the board or other officer of the issuer nominated for that purpose by the chair, and receiving clearance to deal from that director, committee or officer.

If the role of chair and chief executive are combined, that person must not deal in any securities of the issuer without first notifying the board and receiving clearance to deal from the board.

A PDMR (who is not a director) must not deal in any securities of the issuer without first notifying the company secretary, a designated director or officer of the issuer nominated by the board for that purpose and receiving clearance to deal from them (or that designated director or officer).

In connection with employee share schemes, in some circumstances (without an application from the PDMR), it may be appropriate for bulk clearance to be granted in connection with any dealings, to permit amongst other things, the acceptance of invitations made by the issuer to participate in such an employee share scheme, or in relation to automatic vesting of awards granted under a long-term incentive plan.

A response to a request for clearance to deal must be given to the relevant PDMR within 5 business days of the request being made.

The issuer must maintain a record of the response to any dealing request made by a PDMR and of any clearance given. A copy of the response and clearance (if any) must be given to the PDMR concerned.

A PDMR who is given clearance to deal in accordance with the requirements of this code must deal as soon as possible and in any event within 2 business days of clearance being received.

Model code for security transactions by persons discharging managerial responsibilities in respect of issuers **continued**

Circumstances for refusal

A PDMR must not be given clearance to deal in any securities of the issuer:

1. during a prohibited period save for those exceptional circumstances contained in this code; or
2. on considerations of a short term nature. An investment with a maturity of one year or less will always be considered to be of a short term nature.

Dealings permitted during a prohibited period

1. Dealing in Exceptional Circumstances

A PDMR, who is in possession of inside information in relation to the issuer, may be given clearance to deal if they are in severe financial difficulty or there are other exceptional circumstances. Clearance may be given for such a PDMR to sell (but not purchase) securities of the issuer when they would otherwise be prohibited by this code from doing so. The determination of whether the PDMR in question is in severe financial difficulty or whether there are other exceptional circumstances can only be made by the director designated for this purpose.

A PDMR may be in severe financial difficulty if he has a pressing financial commitment that cannot be satisfied otherwise than by selling the relevant securities of the issuer. A liability of such a person to pay tax would not normally constitute severe financial difficulty unless the person has no other means of satisfying the liability. A circumstance will be considered exceptional if the person in question is required by a court order to transfer or sell the securities of the issuer or there is some other overriding legal requirement for them to do so.

The Authority must be consulted at an early stage regarding any application by a PDMR to deal in exceptional circumstances.

2. Awards of Securities and Options

The grant of options by the board of directors under an employee share scheme to individuals who are not PDMRs may be permitted during a prohibited period if such grant could not reasonably be made at another time and failure to make the grant would be likely to indicate that the issuer was in a prohibited period.

The award by the issuer of securities, the grant of options and the grant of rights (or other interests) to acquire securities of the issuer to PDMRs is permitted in a prohibited period if:

- i. the award or grant is made under the terms of an employee share scheme and the scheme was not introduced or amended during the relevant prohibited period; and
- ii. either:
 - the terms of such employee share scheme set out the timing of the award or grant and such terms have either previously been approved by shareholders or summarised or described in a document sent to shareholders, or
 - the timing of the award or grant is in accordance with the timing of previous awards or grants under the scheme; and
- iii. the terms of the employee share scheme set out the amount or value of the award or grant or the basis on which the amount or value of the award or grant is calculated and do not allow the exercise of discretion; and
- iv. the failure to make the award or grant would be likely to indicate that the issuer is in a prohibited period.

Model code for security transactions by persons discharging managerial responsibilities in respect of issuers **continued**

3. Exercise of Options

Where an issuer has been in an exceptionally long prohibited period or the issuer has had a number of consecutive prohibited periods, clearance may be given to allow the exercise of an option or right under an employee share scheme, or the conversion of a convertible security, where the final date for the exercise of such option or right, or conversion of such security, falls during a prohibited period and the PDMR could not reasonably have been expected to exercise it at a time when he was free to deal.

Where the exercise or conversion is permitted pursuant this subsection, clearance may not be given for the sale of the securities of the issuer acquired pursuant to such exercise or conversion including the sale of sufficient securities of the issuer to fund the costs of the exercise or conversion and/or any tax liability arising from the exercise or conversion unless a binding undertaking to do so was entered into when the issuer was not in a prohibited period.

4. Qualification Shares

Clearance may be given to allow a director to acquire qualification shares where, under the issuer's constitution, the final date for acquiring such shares falls during a prohibited period and the director could not reasonably have been expected to acquire those shares at another time.

5. Saving Schemes

A PDMR may enter into a scheme under which only the securities of the issuer are purchased pursuant to a regular standing order or direct debit or by regular deduction from the person's salary, or where such securities are acquired by way of a standing election to re-invest dividends or other distributions received, or are acquired as part payment of the person's remuneration without regard to the provisions of this code, if the following provisions are complied with:

- i. the PDMR does not enter into the scheme during a prohibited period, unless the scheme involves the part payment of remuneration in the form of securities of the issuer and is entered into upon the commencement of the person's employment or in the case of a non-executive director their appointment to the board;
- ii. the PDMR does not carry out the purchase of the securities of the issuer under the scheme during a prohibited period, unless the PDMR entered into the scheme at a time when the issuer was not in a prohibited period and that PDMR is irrevocably bound under the terms of the scheme to carry out a purchase of securities of the issuer (which may include the first purchase under the scheme) at a fixed point in time which falls in a prohibited period;
- iii. the PDMR does not cancel or vary the terms of their participation, or carry out sales of securities of the issuer within the scheme during a prohibited period; and
- iv. before entering into the scheme, cancelling the scheme or varying the terms of their participation or carrying out sales of the securities of the issuer within the scheme, the PDMR obtains clearance in accordance with the requirements of this code.

Model code for security transactions by persons discharging managerial responsibilities in respect of issuers **continued**

6. Acting as a Trustee

Where a PDMR is acting as a trustee, dealing in the securities of the issuer by that trust is permitted during a prohibited period where the:

- i. PDMR is not a beneficiary of the trust; and
- ii. decision to deal is taken by the other trustees or by investment managers on behalf of the trustees and independently of the PDMR.

The other trustees or investment managers acting on behalf of the trustees can be assumed to have acted independently where the decision to deal was:

- i. taken without consultation with, or other involvement of, the PDMR; or
- ii. delegated to a committee of which the PDMR is not a member.

7. Dealings by a Person Closely Associated and Investment Manager

A PDMR must take reasonable steps to prevent any dealings by or on behalf of any person closely associated with them in any securities of the issuer on considerations of a short term nature.

A PDMR must seek to prohibit any dealings in the securities of the issuer during a closed period:

- i. by or on behalf of any person closely associated with them; or
- ii. by an investment manager on their behalf or on behalf of any person connected with them where he or any person connected has funds under management with that investment manager, whether or not discretionary (save as provided for by this code).

A PDMR must advise any person closely associated with them and investment managers acting on their behalf:

- i. of the name of the issuer of which he is a PDMR;
- ii. of the closed periods or any other period when there exists any known inside information in relation to the issuer during which they cannot deal in the securities of the issuer; and
- iii. that they should advise the issuer immediately after they have dealt in the securities of the issuer.

Model code for security transactions by persons discharging managerial responsibilities in respect of issuers **continued**

8. Dealing under a Trading Plan

A PDMR may deal in securities of the issuer pursuant to a trading plan if clearance has first been given in accordance with the requirements of this code to the PDMR entering into the plan and to any amendment to the plan. A PDMR must not cancel a trading plan unless clearance has first been given in accordance with the requirements of this code for its cancellation.

A PDMR must not enter into a trading plan or amend a trading plan during a prohibited period. Clearance under this code must not be given during a prohibited period to the entering into, or amendment of, a trading plan. Clearance under this code may be given during a prohibited period to the cancellation of a trading plan but only in the exceptional circumstances referred to in this code.

A PDMR may deal in securities of the issuer during a prohibited period pursuant to a trading plan if:

- i. the trading plan was entered into before the prohibited period;
- ii. clearance under this code has been given to the PDMR entering into the trading plan and to any amendment to the trading plan before the prohibited period; and
- iii. the trading plan does not permit the PDMR to exercise any influence or discretion over how, when, or whether to effect dealings.

Where a transaction occurs in accordance with a trading plan, the PDMR must notify the issuer at the same time as they make any notification required to be made of the:

- i. fact that the transaction occurred in accordance with a trading plan; and
- ii. date on which the relevant trading plan was entered into.

- 2 - Role of the listing and membership committee
- 3 - Rejection of an application for listing
- 4 - Enforcement, suspension and cancellation
- 5 - Appeals
- 6 - Payment of fees and charges

Operational matters

1. Role of sponsors and authorised representatives

1. An issuer must have a Sponsor appointed at all times which must be a Member of the Exchange.
2. The Authority has various categories of sponsorship which are set out in the Membership Rules.
3. The Membership Rules set out the Sponsor eligibility criteria, responsibilities and compliance obligations.
4. The Sponsor undertakes to fulfil their responsibilities as set out in the Membership Rules in respect of each application where it is appointed as Sponsor and submits a Sponsor's Declaration confirming this to the Authority.
5. The Sponsor must be satisfied that the contents of all documents for listing meet the requirements of the Listings Rules and have been given due and careful consideration by the directors of the issuer.
6. Every issuer must appoint two authorised representatives, who may be individuals from the issuer's Sponsor, to be the issuer's principal point of contact with the Authority on an ongoing basis.

2. Role of the listing and membership committee

Subject to the appeals procedure set out in OPERATIONAL MATTERS 5, the terms of reference of the Listing and Membership Committee include the following responsibilities:

1. operating and regulating the Exchange;
2. determining the suitability and approval of applications for listing;
3. deciding on the suspension or cancellation of a listing;
4. supervising Sponsors' compliance with their obligations;
5. supervising issuers' compliance with their obligations; and
6. interpreting, applying and enforcing the Listing Rules.

3. Rejection of an application for listing

1. The Authority, in its absolute discretion, may reject an application for the admission of securities to the Official List of the Exchange.
2. Without limitation to the generalising of 1 above, the Authority may reject an application for the admission of securities if it considers that:
 - i. the issuer is unable to articulate clearly the purpose or commercial rationale for the listing;
 - ii. the issuer does not meet the conditions for listing;
 - iii. the admission of the securities may be detrimental to the fair, orderly and efficient operation of the market;
 - iv. the admission of the securities may be detrimental to the integrity and reputation of the market;
 - v. the admission of the securities may be detrimental to investor interests;
 - vi. the issuer has a poor record of complying with its obligations under a listing regime, whether that relates to the admission of securities to the Official List of the Exchange or another exchange; or
 - vii. the issuer does not have a sufficient level of operations or sufficient assets to warrant a listing of its securities.
3. The decision of the Authority in any matter shall be final and the Authority shall not be required to disclose the reason for its decision.

Operational matters continued

4. Enforcement, suspension and cancellation

1. The Authority may, at any time, require an issuer to publish such information in such form and within such time limits as it considers appropriate for the purpose of protecting investors and maintaining an orderly market. If the issuer fails to comply, the Authority may itself publish the information after having given the issuer an opportunity to make representations to the Authority as to why the information should not be published.
2. If the Authority considers that an issuer has failed to comply with the Listing Rules it may do one or more of the following:
 - i. censure the issuer, which may include a formal written notice of censure being served upon the issuer and the requirement that the issuer provides a written explanation of its actions to the Authority and an undertaking to rectify the breach immediately;
 - ii. publish the fact that the issuer has been censured for failing to comply with the Listing Rules;
 - iii. refer the matter to the relevant criminal prosecuting and/or regulatory authorities if empowered to do so and without notice if appropriate; and
 - iv. suspend dealings in or cancel the listing of all or any of the issuer's securities.
3. The Authority may at any time suspend dealings in any securities or cancel the listing of any securities in such circumstances and subject to such conditions as it thinks fit, whether requested by an issuer or not, where the Authority:
 - i. considers it necessary for the protection of investors or the maintenance of an orderly market;
 - ii. considers the issuer to have materially failed to comply with these Listing Rules;
 - iii. considers that the issuer does not have a sufficient level of operations or sufficient assets to warrant the continued listing of its securities;
 - iv. considers that the issuer or its business is no longer suitable for listing;
 - v. becomes aware that a Sponsor is not retained by the issuer;
 - vi. considers that the integrity and reputation of the market has been or may be impaired; or
 - vii. considers that the issuer is unable to articulate clearly the purpose or commercial rationale for the continued listing.
4. Where an issuer itself seeks a suspension, its Sponsor or authorised representative shall make a written request for suspension, supported by specific reasons, to the Authority as soon as practicable.
5. An issuer, the listing of whose securities is suspended, must continue to comply with all Listing Rules applicable to it, unless the Authority otherwise agrees.
6. The procedure for lifting a suspension will depend on the circumstances and the Authority may impose conditions where it considers it appropriate. A suspension will not normally be lifted unless:
 - i. where the suspension was at the issuer's request, the issuer has announced the reason for the lifting of the suspension and satisfied the conditions agreed with the Authority; or
 - ii. where the suspension was imposed by the Authority, the issuer has satisfied the conditions imposed by the Authority.
7. Where the issuer has not satisfied the conditions imposed by the Authority for the lifting of the suspension within the defined timeframe, the Authority may cancel the listing of the suspended securities.

Operational matters continued

8. Where an issuer wishes to cancel the primary listing of its equity securities on the Exchange it must notify the Authority and:
 - i. publish an announcement on the website of the Exchange, providing shareholders with notice of any proposed cancellation of the listing, at least 20 business days prior to the intended date of cancellation; and
 - ii. provide the Authority with a copy or extract of the approved resolution, and publish an announcement on the Exchange's website confirming approval for the cancellation.

5. Appeals

1. Only final decisions of the Listing and Membership Committee relating to the following matters may be appealed to the Appeals Committee in accordance with the procedures set out below:
 - i. rejection of an application for listing;
 - ii. rejection of an application by an issuer to lift a suspension; and
 - iii. cancellation of a listing.
2. An appellant must serve notice in writing of its appeal to the Authority within 10 business days of the service of the final decision of the Listing and Membership Committee. The notice should set out the name of the appellant, the final decision appealed against, the grounds of appeal and all material facts and shall have attached to it copies of all documents relevant to the appeal. A copy of the notice will be forwarded by the Authority to the Secretary of the Appeals Committee.
3. Where the requirements for serving notice of an appeal are not met, the final decision of the Listing and Membership Committee shall be final and binding on all parties.
4. A minimum fee (as set out in the fees and charges schedule on the Exchange's website which is subject to change from time to time) will be payable by the appellant to the Authority for an appeal hearing to be conducted. The fee will be dependent upon the nature and complexity of the appeal and will be proportionate to the time taken to consider the appeal. Further charges may, at the absolute discretion of the Chair of the Appeals Committee, be incurred for more complex or lengthy appeals.
5. The Authority may, within 10 business days (or such other period agreed between the parties) of receipt of notice of an appeal, submit to the Chair of the Appeals Committee a statement in response setting out all the material facts and having attached to it copies of all documents relied upon.
6. Following receipt of all relevant papers, the appellant will be given not less than 15 business days' notice of the date, time and place of the hearing by the Chair or the Secretary of the Appeals Committee. The notice period may be shortened with the consent of the parties. Once a hearing time and date have been set, all parties should assume that the hearing will proceed as notified unless notified to the contrary.
7. No party may rely on any statement or document not served on the Appeals Committee more than 2 business days before the hearing save with the leave of the Appeals Committee and, at its discretion, to adjourn the hearing to a later date in order to consider such additional statement or document.
8. The Chair of the Appeals Committee will notify the parties to the proceedings of the names of the members of the Appeals Committee who will be hearing the appeal and any proposed legal adviser. If any party to the proceedings believes that a potential conflict of interest exists, it shall notify the Chair of the Appeals Committee, at the earliest possible opportunity, who will take appropriate action.
9. Other than between the Appeals Committee and its legal adviser, either party may require that the Appeals Committee holds any document submitted to it as confidential and not to be divulged to any other parties.

Operational matters continued

10. All parties shall keep confidential any matters related to the appeal save where disclosure is permitted or required by law or compelled by court order or a valid request by a competent authority.
11. Appeals Committee hearings shall be conducted in private.
12. As part of any appeal the appellant shall be given an opportunity to appear before the Appeals Committee to set out the grounds for its appeal. Similarly, the Listing and Membership Committee shall be given an opportunity to submit a statement in response setting out all the material facts and having attached to it copies of all documents relied upon and to appear before the Appeals Committee.
13. The parties may attend the hearing but any hearing may proceed in the absence of one or both of the parties.
14. Any party may be legally represented at the hearing. Where a legal representative is to be appointed, the Secretary of the Appeals Committee must be advised in writing at least 2 business days prior to the hearing of the person's full name and professional qualification.
15. The order of proceedings at the hearing shall be at the discretion of the Appeals Committee.
16. The parties will be asked to confirm that there is no reasonable objection to any of the Appeals Committee members hearing the appeal (or their legal adviser) on the grounds of conflict of interest. Such confirmation shall not be unreasonably withheld.
17. A record of the hearing will be made and, for the avoidance of doubt, it shall be sufficient for such record to be in the form of minutes taken by the Secretary of the Appeals Committee. A transcription or copy of the record will be available to any party, on payment of the cost of making such transcription as the Chair of the Appeals Committee in their discretion shall determine. The deliberations of the Appeals Committee will not be recorded.
18. Following the hearing, the Appeals Committee may deliberate at any time and make any decision in the absence of the parties. The Appeals Committee may adjourn the hearing at any time as it thinks fit. The Appeals Committee is entitled to reach decisions on a majority basis. In the case of an equality of votes, the Chair of the Appeals Committee shall have a second or casting vote. The decision of the Appeals Committee in any matter shall be final and the Appeals Committee shall not be required to disclose the reason for its decision on appeal.
19. In making its decision, the Appeals Committee may uphold or reverse the Listing and Membership Committee's earlier final decision or, in the case of a rejection of an application for listing, may approve the application subject to the applicant complying with any conditions imposed by the Appeals Committee.
20. The Appeals Committee will only reverse or vary the Listing and Membership Committee's earlier final decision if it is satisfied, on the balance of probabilities, that the final decision is a misinterpretation of or an erroneous application of the Listing Rules, or is not justified by the evidence on which it is based.
21. Following the conclusion of the proceedings, the Appeals Committee will notify the parties in writing of its decision[s] and any further charges payable.

Operational matters continued

6. Payment of fees and charges

1. The Authority may, from time to time, for the purposes of the administration of the Exchange, impose fees and charges in such respects and on such terms as the Authority may prescribe.
2. The applicable fees and charges imposed by the Authority may, from time to time, be revised by the Authority without prior notice as it shall in its absolute discretion think fit.
3. An issuer (or applicant) shall pay to the Authority all applicable fees and charges as set out in the fees and charges schedule published by the Authority from time to time.
4. Unless otherwise specified by the Authority, an issuer (or applicant) shall pay any applicable fees, and charges or other sums due to the Authority in full and in accordance with the terms and conditions specified on the Exchange's website.
5. Where an issuer fails to pay in accordance with these Rules, other than in the case of a legitimate dispute, the Authority may at any time suspend dealings in any securities or cancel the listing of any securities without prejudice to any other action which the Authority may take.
