# Preface

---

The Authority is responsible for the listing of bonds on the Exchange and is licensed to operate an investment exchange under the Protection of Investors (Bailiwick of Guernsey) Law 2020.

**Authority's Purpose:** Our purpose is to provide a well-regulated listing and trading venue for issuers of global securities and their investors, thus promoting responsible economic growth.

**Authority's Mission:** Our mission is to constantly add value for all our stakeholders by providing a secure and high-quality service across a trusted, cost effective and efficient marketplace.

The Listing Rules:

- govern the requirements for issuers to gain admission to listing and the continuing obligations of listing;
- are subject to revision. Current copies of the Listing Rules are available on the Exchange's website.
- the Authority will inform Members of the Exchange of any revisions, who then inform the issuers whose bonds are listed on the Exchange;
- are not exhaustive. The Authority may impose additional requirements or special conditions where it considers it appropriate, in order to ensure that issuers demonstrate initial and ongoing suitability for listing; and
- may be waived or modified by the Authority where it determines the issuer still demonstrates suitability for listing.

These Listing Rules relate to the listing and admission to trading on the Exchange of bonds.

An issuer is expected to comply with all Listing Rules applicable to it and provide to the Authority without delay all the information and explanations that the Authority may reasonably require for the purpose of deciding whether to grant a listing, protect investors, ensure the orderly operation of the market, or to verify compliance with the Listing Rules.

Suitability for listing depends on many factors. Applicants for listing should appreciate that compliance with the Listing Rules may not of itself ensure an applicant's suitability for listing. The Authority retains the discretion to accept or reject applications and in reaching its decision will pay regard to the matters outlined in 'Operational Matters 3' [Rejection of Applications for Listing].

Applicants (including listed issuers) are encouraged to contact the Authority to seek informal guidance as to the suitability of a proposed application for listing at the earliest possible opportunity.

Neither the admission of any bonds to the Official List nor the approval of any listing document pursuant to the Listing Rules of the Authority shall constitute a warranty or representation by the Authority as to the competence of the service providers or any other party connected with an issuer, the adequacy of information contained in the listing document or the suitability of an issuer for investment or for any other purpose. The Authority accepts no liability for any loss, damage, cost or expense whatsoever incurred by any person.

The Authority may provide additional guidance on any aspect of the Listing Rules and discussions take place in strict confidence subject to any legal or regulatory obligations with which the Authority must comply.

---

# Principles

---

The Listing Rules require issuers to adhere to the following Principles, in order for investors to have and maintain confidence in the markets we operate.

Issuers are responsible for:

1. treating all investors and holders of listed bonds fairly, and all investors and holders of the same class of bonds equally;
2. ensuring all disclosures and communications to investors are accurate and readily comprehensible by the intended readers and not misleading;
3. following any applicable recognised code of corporate governance or any prescribed laws of their jurisdiction and, where applicable, disclosing that to investors, or stating why they do not follow a code of corporate governance;
4. ensuring bonds are suitable for listing and remain suitable whilst listed;
5. ensuring that sufficient and timely disclosure of information is made to investors so they are kept fully informed of all material factors which might affect their interests;
6. ensuring holders of listed bonds are given adequate opportunity to consider major changes in the issuer's business operations, and matters of importance concerning the issuer's management and constitution; and
7. ensuring investors can trade and transfer their bonds in a fair, efficient and effective manner as appropriate to the relevant investors.

2. The Membership Rules set out Listing Agent eligibility criteria, responsibilities and compliance obligations.
3. The Listing Agent undertakes to fulfil their responsibilities as set out in the Membership Rules in respect of each application where it is appointed as Listing Agent and submits a Listing Agent Declaration confirming this to the Authority.
4. The Listing Agent must be satisfied that the contents of all documents for listing meet the requirements of the Listings Rules and have been given due and careful consideration by the directors of the issuer.
5. Every issuer must appoint two authorised representatives, who may be individuals from the issuer's Listing Agent, to be the issuer's principal point of contact with the Authority on an ongoing basis.

## 2. Role of the listing and membership committee

Subject to the appeals procedure set out in OPERATIONAL MATTERS 5, the terms of reference of the Listing and Membership Committee include the following responsibilities:

1. operating and regulating the Exchange;

  - vii. the issuer does not have a sufficient level of operations or sufficient assets to warrant a listing of its bonds.
3. The decision of the Authority in any matter shall be final and the Authority shall not be required to disclose the reason for its decision.

# Operational Matters **continued**

## 4. Enforcement, suspension and cancellation

1. The Authority may, at any time, require an issuer to publish such information in such form and within such time limits as it considers appropriate for the purpose of protecting investors and maintaining an orderly market. If the issuer fails to comply, the Authority may itself publish the information after having given the issuer an opportunity to make representations to the Authority as to why the information should not be published.
2. If the Authority considers that an issuer has failed to comply with the Listing Rules it may do one or more of the following:
  - i. censure the issuer, which may include a formal written notice of censure being served upon the issuer and the requirement that the issuer provides a written explanation of its actions to the Authority and an undertaking to rectify the breach immediately;
  - ii. publish the fact that the issuer has been censured for failing to comply with the Listing Rules;
  - iii. refer the matter to the relevant criminal prosecuting and/or regulatory authorities if empowered to do so and without notice if appropriate; and
  - iv. suspend dealings in or cancel the listing of all or any of the issuer's bonds.
3. The Authority may at any time suspend dealings in any bonds or cancel the listing of any bonds in such circumstances and subject to such conditions as it thinks fit, whether requested by an issuer or not, where the Authority:
  - i. considers it necessary for the protection of investors or the maintenance of an orderly market;
  - ii. considers the issuer to have materially failed to comply with these Listing Rules;
  - iii. considers that the issuer does not have a sufficient level of operations or sufficient assets to warrant the continued listing of its bonds;
  - iv. considers that the issuer or its business is no longer suitable for listing;
  - v. becomes aware that a Listing Agent is not retained by the issuer;
  - vi. considers that the integrity and reputation of the market has been or may be impaired; or
  - vii. considers that the issuer is unable to articulate clearly the purpose or commercial rationale for the continued listing.
4. Where an issuer itself seeks a suspension, its Listing Agent or authorised representative shall make a written request for suspension, supported by specific reasons, to the Authority as soon as practicable.
5. An issuer, the listing of whose bonds is suspended, must continue to comply with all Listing Rules applicable to it, unless the Authority otherwise agrees.
6. The procedure for lifting a suspension will depend on the circumstances and the Authority may impose conditions where it considers it appropriate. A suspension will not normally be lifted unless:
  - i. where the suspension was at the issuer's request, the issuer has announced the reason for the lifting of the suspension and satisfied the conditions agreed with the Authority; or
  - ii. where the suspension was imposed by the Authority, the issuer has satisfied the conditions imposed by the Authority.
7. Where the issuer has not satisfied the conditions imposed by the Authority for the lifting of the suspension within the defined timeframe, the Authority may cancel the listing of the suspended bonds.
8. Where an issuer wishes to cancel the primary listing of its bonds on the Exchange it must notify the Authority, the holders of the bonds and the market via an announcement on the Exchange's website.

# Operational Matters **continued**

## 5. Appeals

1. Only final decisions of the Listing and Membership Committee relating to the following matters may be appealed to the Appeals Committee in accordance with the procedures set out below:
  - i. rejection of an application for listing;
  - ii. rejection of an application by an issuer to lift a suspension; and
  - iii. cancellation of a listing.
2. An appellant must serve notice in writing of its appeal to the Authority within 10 business days of the service of the final decision of the Listing and Membership Committee. The notice should set out the name of the appellant, the final decision appealed against, the grounds of appeal and all material facts and shall have attached to it copies of all documents relevant to the appeal. A copy of the notice will be forwarded by the Authority to the Secretary of the Appeals Committee.
3. Where the requirements for serving notice of an appeal are not met, the final decision of the Listing and Membership Committee shall be final and binding on all parties.
4. A minimum fee (as set out in the fees and charges schedule on the Exchange's website which is subject to change from time to time) will be payable by the appellant to the Authority for an appeal hearing to be conducted. The fee will be dependent upon the nature and complexity of the appeal and will be proportionate to the time taken to consider the appeal. Further charges may, at the absolute discretion of the Chair of the Appeals Committee, be incurred for more complex or lengthy appeals.
5. The Authority may, within 10 business days (or such other period agreed between the parties) of receipt of notice of an appeal, submit to the Chair of the Appeals Committee a statement in response setting out all the material facts and having attached to it copies of all documents relied upon.
6. Following receipt of all relevant papers, the appellant will be given not less than 15 business days' notice of the date, time and place of the hearing by the Chair or the Secretary of the Appeals Committee. The notice period may be shortened with the consent of the parties. Once a hearing time and date have been set, all parties should assume that the hearing will proceed as notified unless notified to the contrary.
7. No party may rely on any statement or document not served on the Appeals Committee more than 2 business days before the hearing save with the leave of the Appeals Committee and, at its discretion, to adjourn the hearing to a later date in order to consider such additional statement or document.
8. The Chair of the Appeals Committee will notify the parties to the proceedings of the names of the members of the Appeals Committee who will be hearing the appeal and any proposed legal adviser. If any party to the proceedings believes that a potential conflict of interest exists, it shall notify the Chair of the Appeals Committee, at the earliest possible opportunity, who will take appropriate action.
9. Other than between the Appeals Committee and its legal adviser, either party may require that the Appeals Committee holds any document submitted to it as confidential and not to be divulged to any other parties.
10. All parties shall keep confidential any matters related to the appeal save where disclosure is permitted or required by law or compelled by court order or a valid request by a competent authority.
11. Appeals Committee hearings shall be conducted in private.
12. As part of any appeal the appellant shall be given an opportunity to appear before the Appeals Committee to set out the grounds for its appeal. Similarly, the Listing and Membership Committee shall be given an opportunity to submit a statement in response setting out all the material facts and having attached to it copies of all documents relied upon and to appear before the Appeals Committee.

## Operational Matters **continued**

13. The parties may attend the hearing but any hearing may proceed in the absence of one or both of the parties.
14. Any party may be legally represented at the hearing. Where a legal representative is to be appointed, the Secretary of the Appeals Committee must be advised in writing at least 2 business days prior to the hearing of the person's full name and professional qualification.
15. The order of proceedings at the hearing shall be at the discretion of the Appeals Committee.
16. The parties will be asked to confirm that there is no reasonable objection to any of the Appeals Committee members hearing the appeal (or their legal adviser) on the grounds of conflict of interest. Such confirmation shall not be unreasonably withheld.
17. A record of the hearing will be made and, for the avoidance of doubt, it shall be sufficient for such record to be in the form of minutes taken by the Secretary of the Appeals Committee. A transcription or copy of the record will be available to any party, on payment of the cost of making such transcription as the Chair of the Appeals Committee in their discretion shall determine. The deliberations of the Appeals Committee will not be recorded.
18. Following the hearing, the Appeals Committee may deliberate at any time and make any decision in the absence of the parties. The Appeals Committee may adjourn the hearing at any time as it thinks fit. The Appeals Committee is entitled to reach decisions on a majority basis. In the case of an equality of votes, the Chair of the Appeals Committee shall have a second or casting vote.

The decision of the Appeals Committee in any matter shall be final and the Appeals Committee shall not be required to disclose the reason for its decision on appeal.

19. In making its decision, the Appeals Committee may uphold or reverse the Listing and Membership Committee's earlier final decision or, in the case of a rejection of an application for listing, may approve the application subject to the applicant complying with any conditions imposed by the Appeals Committee.
20. The Appeals Committee will only reverse or vary the Listing and Membership Committee's earlier final decision if it is satisfied, on the balance of probabilities, that the final decision is a misinterpretation of or an erroneous application of the Listing Rules, or is not justified by the evidence on which it is based.
21. Following the conclusion of the proceedings, the Appeals Committee will notify the parties in writing of its decision(s) and any further charges payable.

### **6. Payment of fees and charges**

1. The Authority may, from time to time, for the purposes of the administration of the Exchange, impose fees and charges in such respects and on such terms as the Authority may prescribe.
2. The applicable fees and charges imposed by the Authority may, from time to time, be revised by the Authority without prior notice as it shall in its absolute discretion think fit.
3. An issuer (or applicant) shall pay to the Authority all applicable fees and charges as set out in the fees and charges schedule published by the Authority from time to time.
4. Unless otherwise specified by the Authority, an issuer (or applicant) shall pay any applicable fees, and charges or other sums due to the Authority in full and in accordance with the terms and conditions specified on the Exchange's website.
5. Where an issuer fails to pay in accordance with these Rules, other than in the case of a legitimate dispute, the Authority may at any time suspend dealings in any bonds or cancel the listing of any bonds without prejudice to any other action which the Authority may take.
