**TISE**  
a miix company

Built on a culture of responsiveness and innovation, The International Stock Exchange (TISE) is one of Europe's leading stock exchanges for international bond listings.

Headquartered in Guernsey, Channel Islands, since 1998, TISE has experienced significant growth and today is a major European bond market with 2,600+ issuers from 40+ countries listing 4,500+ bonds on its **Qualified Investor Bond Market (QIBM)**.

Dedicated to listing bonds marketed to Qualified Investors, QIBM provides a streamlined approach to listing bonds on a globally recognised stock exchange.

Being located in Europe but independent of both the UK and EU means that their regulations and directives do not apply and instead there are proportionate listing requirements and continuing obligations.

## Why list on QIBM?

### **Fast turnaround**

We provide a quick review of all listing applications via our TISE Express 24-hour fast-track service, TISE Guarantee [2+1] turnaround for CLOs and standard TISE Guarantee [3+1].

---

### **Competitive fees**

Attractive listing fees including one-off 'lifetime' payment solutions can save issuers significant sums on both listing & administration costs versus other European listing venues.

---

### **Proportionate regulation**

A globally recognised stock exchange, including for the Quoted Eurobond Exemption, where UK and EU rules do not apply and listing requirements are streamlined.

## Fast turnaround

Our market facing listing team guarantees review timelines in order that issuers might plan their launch with certainty.

- **TISE Express (24h)**  
Guaranteed 24-hour turnaround for eligible initial applications, subject to an additional £1,500 fast-track service fee.
- **TISE Guarantee (2+1)**  
We provide guaranteed review timelines of 2+1 for CLO applications in order that CLO issuers and their advisers can plan their bond listing with speed and certainty.
- **TISE Guarantee (3+1)**  
We commit to conduct an initial review of listing applications within 3 business days of first submission and within 1 business day of subsequent submission(s).

In all cases, we will return comments immediately on completion.

TISE's market authority can consider and approve final applications received before 12:00 on the intended day of listing.

Securities are admitted to the Official List daily at 18:00.

## Competitive fees

Attractive listing fees including one-off 'lifetime' payment solutions can save issuers significant sums on both listing & administration costs versus other European listing venues.

- Competitive fees – list on TISE from as little as **£5,000**
- Fees are **fixed and do not rise** with the issuance amount
- Lifetime/lifecycle fees available for various products with **no annual charges** at all
- Turnaround your application within a single day for an additional **£1,500**
- Programme final terms/drawdown document issued at **£1,100** per bond irrespective of product type, duration or amount issued
- Bespoke **'all-in'** application fee arrangements for large, multi-series programmes

For more information, please visit our QIBM Listing Fee Schedule on our website: [tisegroup.com](https://tisegroup.com).

***Issuers can save significant sums  
when listing with TISE***

## Key characteristics

A proportionate, streamlined approach to listing bonds on a globally recognised stock exchange.

- **Recognised stock exchange:** UK & Irish Quoted Eurobond Exemptions + more
- **Post listing continuing obligations:** MAR does not apply, proportionate & simplified
- **Upfront financials:**
  - NewCos (<1 year) no financial statements; or
  - the available financials if incorporated between 1-2 years; or
  - recognised international standard or national GAAP (audited or non-audited) if >2 years
- **Ongoing financials:** Not required, with limited exceptions
- **Application:** Single submission to TISE via MyTISE portal

# Listing checklist

QIBM operates outside of UK and EU regulation, giving issuers & investors fewer listing requirements compared with major other onshore exchanges. Our requirements and continuing obligations are summarised below\*:

## Disclosure

- Issuer details and responsibility statements.
- Adviser and auditor information.
- Financial data, use of proceeds, risk factors.
- Material contracts and legal proceedings.
- Special sections for asset backed, convertible, and derivative bonds.

## Applications

- Initial: TISE 1 Form, listing document, disclosure checklist.
- Include structure chart and any financial information (if applicable).
- Final: signed forms, listing document and proof of issue.
- Electronic signatures and online submissions accepted.

## Continuing Obligations

- Disclose material events, defaults, or redemptions.
- Notify director or ownership changes.
- Flexible submission of financial information.
- All announcements via MyTISE Portal.

\*Specific requirements will vary depending on listing type, please refer to the full list of requirements on page 23

## How to list on QIBM

1

### Appoint a Listing Agent

Listing Agents are essential for issuers seeking to list securities on QIBM. They provide expert guidance, ensure compliance, and significantly reduce the administrative burden, making the process efficient and stress-free. Firms already approved as Listing Agents range from international law firms, stockbrokers, and fund administrators, through to trust and corporate service providers – see [tisegroup.com/membership](http://tisegroup.com/membership)

2

### Satisfying listing conditions & suitability requirements

Before an application to list a security is considered for submission to TISE, the appointed Listing Agent is required to vet the application against certain conditions for listing prescribed within the QIBM Listing Rules.

3

### Application for listing

The applicant, through its appointed Listing Agent, must submit certain documents as required by the QIBM Listing Rules. Documentation requirements include a Listing Document (which can also take the form of an existing published prospectus, offering memorandum or equivalent document) together with relevant supporting documentation.

4

### Approval

All applications for listing will be processed by the team in our Listing Department. Once satisfied with an application they will submit a report, including their recommendations to TISE's Listing and Membership Committee (LMC), who meet daily, for the LMC's consideration.

5

### Listing

If the LMC approves the application, the securities are admitted to the Official List.

# High Yield Bonds

## Why QIBM for HYB

- No MAR
- Efficient process

## We are Europe's leading stock exchange for the listing of High Yield Bonds

With more than 500 High Yield Bonds admitted to our Official List, it is established European market practice to list these securities on QIBM.

High Yield Bond issuers and their advisers choose us for several reasons, notably our proportionate disclosure requirements, responsive and knowledgeable listing teams, guaranteed review times and competitive pricing.

TISE is also considered a recognised stock exchange for both the UK and Irish Quoted Eurobond Exemption and is a Designated Offshore Securities Market by the US Securities and Exchanges Commission (SEC).

Listing on QIBM has appealed to issuers from a range of domiciles including the UK, Europe, the US and Asia and there have been prominent deals from major international companies, including Aston Martin, Bacardi, Carnival Corporation, Electronic Arts and Netflix.

### Fee Example: an issuer listing one security class

	Initial Fees	Annual Fees	
Issuer	£7,000		Year 1 Total: <b>£10,600</b> Year 2+ Total: <b>£1,750</b>
Class	£1,600	£1,750	
Formal Notice	£250		
<b>Sub-total</b>	<b>£8,850</b>	<b>£1,750</b>	

# Private Equity Debt

## Why QIBM for Private Equity

- Efficient process
- Cost-effectiveness

QIBM is the listing venue of choice for many leading US, UK and pan-European private equity houses who list debt securities to finance the acquisition of portfolio companies.

As part of the transaction, an issuer within an acquisition stack will issue loan notes to a private equity house, the management teams and/or other intragroup entities. The listing of the loan notes on a recognised stock exchange means that they are classified as Quoted Eurobonds and can benefit from the Quoted Eurobond Exemption.

We have developed a specialism in this area and offer a proven, cost-effective and efficient path to listing private equity debt securities. There are more than 2,000 listed on QIBM.

As well as being a recognised stock exchange for the purposes of both the UK and Irish Quoted Eurobond Exemption, we have a knowledgeable team providing fast turnaround of listing applications in line with streamlined listing requirements and continuing obligations.

# Securitisations

## Why QIBM for Securitisations

- No Securitisation Regulation
- No CSDR

Bonds listing on QIBM include a growing number of European & US securitisations.

These securitisations can list with us without having to adhere to UK and EU regulations and directives, such as the Securitisation Regulation and CSDR.

QIBM lists securitisation transactions backed by a range of asset classes including auto loans, credit card receivables, loans to SMEs, as well as residential and commercial mortgage-backed securities.

Securitisation listings include prominent deals from major international banks including Barclays, Bank of Ireland, UBS, HSBC and Morgan Stanley.

Key jurisdictions used for the establishment of the issuer SPVs listing on TISE include Jersey, Ireland, Luxembourg, and the United Kingdom.

Issuers of securitisation bonds may avail of our one-off 'lifetime' payment solution of £15,000.

# Aviation Finance

## Why QIBM for Aviation Finance

- Speed & efficiency
- Specialist expertise

QIBM welcomes Aviation Finance structures used by airlines, operating lessors and lenders in cross-border aviation finance transactions.

Listing is seamlessly facilitated by the QIBM Listing Rules as well as the Equity market and Specialist Companies Listing Rules, where applicable.

The range of instruments TISE can help with include:

- SPVs owning (and/or leasing) an aircraft for a specific transaction
- Asset-backed securities and debt instruments secured by aircraft
- Islamic finance structures such as sukuk and ijarah supporting aviation financing
- ESG and green aviation bonds - can be listed on TISE Sustainable – see [tisegroup.com/sustainable](https://tisegroup.com/sustainable)
- Aircraft fund listings

### Case studies:

A UK SPV financed the acquisition of a minority stake in an aviation services company operating wide-body aircraft for government and civil leasing, in a deal worth £189 million.

An Ireland-based SPV issued debt to fund the acquisition of a global aviation group operating over 130 aircraft across Europe, Africa, and Asia, focused on cargo and passenger services.

### Fee Example: an issuer listing one security class

# Sukuks

## Why QIBM for Sukuks

- Specific expertise
- Proportionate disclosure

QIBM lists several Islamic Finance-related structures, including those which issue Sukuk.

Listing Islamic Finance-related structures is seamlessly facilitated by the QIBM Listing Rules as well as the Equity Market and Specialist Companies Listing Rules, where applicable.

There are several Islamic Finance-related structures which are listed on TISE, including Shariah compliant debt, sukuks and Shariah compliant funds. TISE also sees multiple examples of structures featuring a commodity Murabaha listing on our market. Sukuk issuers are classified as 'All Other Debt Securities' under our Listing Fees, providing a cost-effective route to Listing.

### Case studies:

The owner and operator of modern retail spaces, including malls in the Middle East, has multiple sukuks listed on TISE with a combined value of US\$1.475 billion.

A prominent City of London office building was acquired using notes listed on TISE, issued via a structure including commodity Murabaha.

In 2024, sukuk trust certificates were listed by the first UAE-incorporated REIT, one of the world's largest Sharia-compliant REITs, primarily holding commercial and education real estate assets.

An Islamic finance arm of a major US firm listed \$10 billion sukuk trust certificates on TISE, funding purchases of equities/assets aligned with Islamic finance indices or Shariah Board guidelines.

# Insurance Linked Securities (ILS)

## Why OIBM for ILS

- Innovative approach
- Proportionate disclosure

Our proportionate disclosure requirements, fast turnaround times and innovative approach offer a compelling proposition for listing ILS.

With a significant number of ILS deals structured and arranged in Guernsey, TISE is a natural listing venue for ILS although we welcome structures from a wide range of domiciles.

We have been home to some extremely innovative ILS listings.

### Solidum Re Eiger IC Limited

The private cat bond transaction issued by Solidum Re Eiger IC Limited was the first to be listed on any exchange worldwide.

### Dunant Re IC Limited

The very first humanitarian catastrophe bond covering pure volcanic eruption was completed using a Guernsey ILS structure and listed on TISE. The USD3 million privately placed issuance is sponsored by the Danish Red Cross and was brought to market by Replexus and Howden Capital Markets.

### FWU AG's Salam III Limited

TISE listed a pioneering programme in the form of European insurance group FWU AG's Salam III Limited. This unique deal transacted an Islamic bond and was the first securitisation of sharia compliance insurance policies.

### Dom Re IC Limited

We welcomed what is believed to be the first listing, on a regulated exchange, of notes digitised on a blockchain. Dom Re IC Limited issued notes on a private blockchain, 'ILS Blockchain' which replaced the traditional settlement system of the issuance of notes.

### Fee Example: an issuer listing one security class

	Initial Fees	Annual Fees
Issuer	£5,500	
Class	£1,600	£1,750
Formal Notice	£250

Year 1 Total: **£9,100**

Year 2+ Total: **£1,750**

# Sustainable Finance

## Why QIBM for Sustainable Finance

- No additional fee
- Proportionate ESG disclosure

We have listings with a total market value of more than £30 billion which support environmental, social and sustainable initiatives.

TISE caters for a wide range of sustainable issuers and securities, including:

- Green bonds
- Social bonds
- Sustainable bonds
- Sustainability-linked bonds
- Debt-for-nature swaps
- Humanitarian catastrophe bonds
- Transition bonds/issuers
- Green funds
- Natural capital funds
- ESG-rated companies

We offer proportionate ESG-related disclosure, reducing the complexity compared to an admission on an EU or UK venue, whilst maintaining the credibility of a sustainable listing.

Our dedicated sustainable finance segment, TISE Sustainable, is available at no additional cost to qualifying TISE-listed issuers and securities.

### Case study: Liberty Costa Rica

- Telecoms group listed a US\$400 million High Yield Bond on TISE.
- Largest SLB issued for the digital infrastructure sector in Costa Rica\*.
- Finance expansion of fixed & 4G/5G coverage to narrow digital divide.
- Aligned with ICMA SLB Principles; admitted to TISE Sustainable.

**\*Lifetime Fee:** The Lifetime Fee incorporates the Initial Application Fee, the first and subsequent Annual Fees and the Formal Notice fee, per application submitted. Should a bond redeem earlier than its scheduled maturity, the Lifetime Fee will also cover associated Delisting Fees. For the avoidance of doubt, the Lifetime Fee does not cover any subsequent new classes which were not pre-empted in the initial application, further issues, partial redemptions or other administrative fees & charges.

**\*Specialist Debt Securities:** Includes all Convertible Bonds, Depository Receipts, Derivative Bonds, Digital Assets, Preference Shares, Warrants issued on standalone basis.

**^Short Term Paper:** Commercial paper & certificates of deposits that are issued for a term of less than 1 year.

**Issuer Application Fee:** Subsequent applications by a TISE listed issuer are exempt from paying an additional Issuer Application Fee.

**Co-Issuers:** Only one Issuer Application Fee, class application fee(s) and one Formal Notice Fee is levied for the initial application. Annual Fees are charged per class at £1,750 for the first Issuer and £550 for each of the other Co-Issuers.

## COLLATERALISED LOAN OBLIGATION [CLO] APPLICATIONS

### CLO Warehouse

A CLO Warehouse listing at TISE automatically triggers our **CLO Lifecycle Fee of £10,000 (all-in)**, which incorporates:

1. All TISE listing fees related to the CLO Warehouse, and
2. All TISE listing fees related to the subsequent CLO Transaction (a prepaid option), and
3. All TISE listing fees related to any future CLO Refinancing (a prepaid option).

### CLO Transaction

A standalone CLO Transaction at TISE [with no prepaid option] automatically triggers our **CLO Lifetime Fee of £10,000 (all-in)**, per application submitted.

### CLO Refinancing

A TISE listed CLO Transaction which subsequently delists for the purposes of a Refinancing [with no prepaid option] automatically triggers our **CLO Refinancing Fee of £5,000 (all-in)**, in the event of a new application to list a refinanced deal.

## TERMS AND CONDITIONS

4. The Authority shall not issue any grant of listing to any application in respect of which fees remain outstanding and due for payment by an Issuer. The only exception(s) to this rule is fees for the listing of Final Terms and pre-empted classes of existing Issuers may be received within 30 days of the invoice date.
5. All fees and charges raised post-admission must be settled within 30 days of the invoice date unless stated otherwise. The Authority reserves the right to suspend the listing of any of an Issuer's securities in the event of late or non-payment of such fees or charges.
6. All fees and charges raised post-admission are non-refundable and payable in full irrespective of any subsequent suspension, or delisting, of the listing.
7. All fees and charges are raised in GBP and must be settled in GBP only.
8. Any bank charges levied must be incurred by the remitter.
9. An Issuer shall be obliged to pay all fees and charges which are owing to the Authority in accordance with the Authority's Listing Rules and, for the avoidance of doubt, any prospective Issuer (in respect of which an initial application for listing has been submitted) shall be responsible for and shall procure the payment of all application and other fees in accordance with these Terms and Conditions.
10. These Terms and Conditions and any disputes or claims arising out of, or in connection with, their subject matter or formation (including non-contractual disputes or claims) are governed by, and construed in accordance with, the laws of the Island of Guernsey.
11. Subject to condition 12 below, the courts of Guernsey shall have exclusive jurisdiction for the purpose of hearing and determining any suit, action or proceedings and/or to settle any disputes in respect of fees or charges or otherwise arising out of or in any way relating to these Terms and Conditions or their formation or validity (Proceedings) and for the purpose of enforcement of any judgment against the property or assets of an Issuer.
12. Nothing in condition 11 above shall (or shall be construed so as to) limit the right of the Authority to take Proceedings against an Issuer in the courts of any country in which the Issuer has assets or in any other court of competent jurisdiction nor shall the taking of Proceedings by the Authority in any one or more jurisdictions preclude the taking of Proceedings by the Authority in any other jurisdiction (whether concurrently or not).

# About us

Built on a culture of responsiveness and innovation, The International Stock Exchange (TISE) provides financial markets and securities services to companies globally.

TISE is best known as one of Europe's major professional bond markets. Its Qualified Investor Bond Market (QIBM) is the leading market in Europe for listing high yield bonds and private equity debt and has a growing reputation for listing securitisation transactions. TISE is also the largest market for listed UK Real Estate Investment Trusts (REITs), has a pool of investment funds and hosts a comprehensive sustainable finance segment, TISE Sustainable.

A wholly owned subsidiary of Miami International Holdings, Inc. (MIAX), TISE is headquartered in Guernsey and operates across Dublin, Guernsey, the Isle of Man, Jersey and London. TISE has over 4,500 securities on its Official List with a total market value of more than £800 billion.

MIAX® is a technology-driven leader in building and operating financial marketplaces across multiple asset classes enabled by our in-house built, proprietary technology.

We believe the speed and performance of our technology combined with our fully-integrated, award winning customer service sets us apart from the competition.

Our history of growth and vision for the future is what reinforces our position as a global exchange operator. MIAX drives company growth through its pursuit of new opportunities and expanding reach into new markets by providing new trading products and embracing strategic alliances to provide services designed to meet the emerging needs of our trading community.
