Big Bus Tours Holdings 1 Limited

(Formerly Big Bus Tours Midco Limited)

*Annual report and financial statements
15 month period from 11th February 2015 to 30th April 2016*

Directors' report

The directors presents their annual report and audited financial statements for the period ended 30 April 2016 prepared in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law), including FRS 101 "Reduced Disclosure Framework".

A list of the subsidiary undertakings of the Group is disclosed in Note 4.

Principal activities

The principal activity of the Group is that of open top sightseeing tour operators, the parent Company being a holding Company for the Group investments.

Results

The loss for the period, after taxation, amounted to \$35,970,049.

Directors and directors' interests

The directors who held office during the period (unless stated otherwise) were as follows:

John Donaldson
Patrick Waterman
Timothy Easingwood
Richard Lenane
Sean Wilkins (appointed 7 July 2015)
Alex Payne (appointed 22 February 2016)
Christopher Preston (resigned 13 July 2016)

Directors' indemnities

The Company has made qualifying third party indemnity provisions for the benefit of its directors which were made during the period and remain in force at the date of this report.

Disclosure of information to auditor

The directors who held office at the date of approval of this directors' report confirm that, so far as they are each aware, there is no relevant audit information of which the Company's auditor is unaware; and each director has taken all the steps that he ought to have been taken as a director to make himself aware of any relevant audit information and to ensure that the auditor is made aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of s418 of the Companies Act 2006.

Auditor

Pursuant to Section 487 of the Companies Act 2006, the auditor will be deemed to be reappointed and Deloitte LLP will therefore continue in office.

This directors' report has been prepared in accordance with the provisions applicable to companies entitled to the small companies' exemption.

Approved by the Board and signed on its behalf by:

Statement of Directors' responsibilities in respect of the Directors' Report and the Financial Statements

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law), including FRS 101 "Reduced Disclosure Framework". Under Company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors are responsible for the maintenance and integrity of the corporate and financial information included on the Company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Independent Auditor's Report to the members of the Big Bus Tours Holdings 1 Limited

We have audited the financial statements of Big Bus Tours Holdings 1 Limited for the 15 month period ended 30 April 2016 which comprise the Statement of Profit and Loss and Comprehensive Income, the Balance Sheet, the Statement of Changes in Equity and the related notes 1 to 10. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 101 "Reduced Disclosure Framework".

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the Directors' Responsibilities Statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the annual report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 30 April 2016 and of its loss for the period then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial period for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to take advantage of the small companies exemption from preparing a Strategic Report or in preparing the Directors' Report.

Notes (to the financial statements)

1. Accounting policies

The principal accounting policies are summarised below. They have all been applied consistently throughout the reporting period.

Big Bus Tours Holdings 1 Limited (the "Company") is a company incorporated in the United Kingdom under the Companies Act. The address of the registered office is given on page 2.

The Company is exempt by virtue of Section 400 of the Companies Act 2006 from the requirement to prepare Group financial statements. These financial statements present information about the Company as an individual undertaking and not about its Group. Details of the parent company of the Company are provided in Note 9.

Basis of preparation

The Company meets the definition of a qualifying entity under FRS 100 'Application of Financial Reporting Requirements' issued by the FRC. The financial statements have therefore been prepared in accordance with FRS 101.

As permitted by FRS 101, the Company has taken advantage of the disclosure exemptions available under this standard in relation to financial instruments, capital management, presentation of a cash flow statement, standards not yet effective impairment of assets and related party transactions.

Going concern

The directors have, at the time of approving the financial statements, a reasonable expectation that the Company has access to adequate resources to continue in operational existence for the foreseeable future, including a letter of support from the Company's ultimate parent company. Thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

Measurement convention

The financial statements are prepared on the historical cost basis and are presented in the functional currency of United States Dollars ("USD"). Non-current assets are stated at the lower of previous carrying amount and fair value less costs to sell. Where there are assets and liabilities calculated on a different basis, this fact is disclosed in the relevant accounting policy.

Foreign currency transactions

Transactions denominated in foreign currencies are translated into "United States Dollars (USD)" and recorded at exchange rates ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are translated into USD at exchange rates ruling at the reporting date. Non-monetary assets and liabilities, which are stated at historical cost, are translated into USD at exchange rates ruling at the date of the transaction. Foreign currency differences arising on retranslation are recognised in profit or loss.

Taxation

The charge for taxation is based on the profit for the period and takes into account taxation deferred because of timing differences between the treatment of certain items for taxation and accounting purposes.

The tax currently payable is based on taxable profit for the period. Taxable profit differs from net profit as reported in the income statement because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible. The group's liability for current tax is calculated using tax rates that have been enacted or substantively enacted by the balance sheet date.

Income tax for the period comprises current tax and movements in deferred tax assets and liabilities. Current tax and movements in deferred tax assets and liabilities are recognised in profit or loss except to the extent that they relate to items recognised directly in equity, in which case they are recognised in equity.

Big Bus Tours Holdings 1 Limited

(Formerly Big Bus Tours Midco Limited)

*Annual report and financial statements
15 month period from 11 February 2015 to 30 April 2016*

1. Accounting policies (continued)

Current tax is the expected tax payable on the taxable income for the period, using tax rates enacted or substantively enacted at the balance sheet date, and any adjustment to tax payable in respect of previous years.

Deferred tax assets and liabilities arise from deductible and taxable temporary differences respectively, being the differences between the carrying amounts of assets and liabilities for financial reporting purposes and their tax bases. Deferred tax assets also arise from unused tax losses and unused tax credits.

Apart from differences which arise on initial recognition of assets and liabilities, allowances and all deferred tax assets to the extent that it is probable that future taxable profits will be available against which the asset can be utilised, are recognised.

The amount of deferred tax recognised is measured based on the expected manner of realisation or settlement of the carrying amount of the assets and liabilities, using tax rates enacted or substantively enacted at the balance sheet date. Deferred tax assets and liabilities are not discounted.

Investments

In the Company balance sheet, investments in subsidiaries and associates are measured at cost less impairment.

Financial assets and liabilities

All financial assets and liabilities are initially measured at transaction price (including transaction costs), except for those financial assets classified as at fair value through profit or loss, which are initially measured at fair value (which is normally the transaction price excluding transaction costs), unless the arrangement constitutes a financing transaction. If an arrangement constitutes a financing transaction, the financial asset or financial liability is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Financial assets and liabilities are only offset in the Balance Sheet when, and only when there exists a legally enforceable right to set off the recognised amounts and the Group intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Debt instruments which meet the following conditions are subsequently measured at amortised cost using the effective interest method:

(a) The contractual return to the holder is (i) a fixed amount; (ii) a positive fixed rate or a positive variable rate; or (iii) a combination of a positive or a negative fixed rate and a positive variable rate.

(b) The contract may provide for repayments of the principal or the return to the holder (but not both) to be linked to a single relevant observable index of general price inflation of the currency in which the debt instrument is denominated, provided such links are not leveraged.

(c) The contract may provide for a determinable variation of the return to the holder during the life of the instrument, provided that (i) the new rate satisfies condition (a) and the variation is not contingent on future events other than (1) a change of a contractual variable rate; (2) to protect the holder against credit deterioration of the issuer; (3) changes in levies applied by a central bank or arising from changes in relevant taxation or law; or (ii) the new rate is a market rate of interest and satisfies condition (a).

(d) There is no contractual provision that could, by its terms, result in the holder losing the principal amount or any interest attributable to the current period or prior periods.

(e) Contractual provisions that permit the issuer to prepay a debt instrument or permit the holder to put it back to the issuer before maturity are not contingent on future events, other than to protect the holder against the credit deterioration of the issuer or a change in control of the issuer, or to protect the holder or issuer against changes in levies applied by a central bank or arising from changes in relevant taxation or law.

Big Bus Tours Holdings 1 Limited

(Formerly Big Bus Tours Midco Limited)

Annual report and financial statements
15 month period from 11 February 2015 to 30 April 2016

1. Accounting policies (continued)

(f) Contractual provisions may permit the extension of the term of the debt instrument, provided that the return to the holder and any other contractual provisions applicable during the extended term satisfy the conditions of paragraphs (a) to (c).

Debt instruments that are classified as payable or receivable within one year on initial recognition and which meet the above conditions are measured at the undiscounted amount of the cash or other consideration expected to be paid or received, net of impairment.

Financial assets are derecognised when and only when (a) the contractual rights to the cash flows from the financial asset expire or are settled, (b) the Group transfers to another party substantially all of the risks and rewards of ownership of the financial asset, or (c) the Group, despite having retained some, but not all, significant risks and rewards of ownership, has transferred control of the asset to another party.

Impairment of assets

Assets, other than those measured at fair value, are assessed for indicators of impairment at each balance sheet date. If there is objective evidence of impairment, an impairment loss is recognised in profit or loss as described below.

An asset is impaired where there is objective evidence that, as a result of one or more events that occurred after initial recognition, the estimated recoverable value of the asset has been reduced. The recoverable amount of an asset is the higher of its fair value less costs to sell and its value in use.

Finance expense

Finance expenses comprise interest expense on borrowings from related parties. Interest is calculated using the effective interest method.

Other interest expenses are recognized as an expense in the period in which they are incurred.

Critical accounting judgements and key sources of estimation uncertainty

In the application of accounting policies, which are described in this note, the directors are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates, judgements and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

The following are the critical judgements, including those involving estimations, that the directors have made in the process of applying the Company's accounting policies and that have the most significant effect on the amounts recognised in financial statements.

Impairment of investments

Determining whether the carrying value of investments is impaired requires an estimation of the value in use of the cash-generating units to which the investment balance relates. The value in use calculation requires the entity to estimate the future cash flows expected to arise from the cash-generating unit and a suitable discount rate in order to calculate present value. This calculation was performed and no indication of impairment of investments was noted.

Fair value measurements and valuation processes

In estimating the fair value of an asset or a liability, the Company uses market-observable data to the extent it is available. Internal valuations of assets and liabilities are performed, and where specialist skills and expertise are required, third party valuations are sought.
