Re: ALESCO Preferred Funding X, Ltd.

We have performed the procedures enumerated below, which were agreed to by the addressees of this report (collectively, the "Specified Parties"), solely to assist ALESCO Preferred Funding X, Ltd. (the "Issuer") in evaluating whether information presented in the note valuation report and monthly report relating to the Issuer's March 2019 distribution date (together, the "NVR") is prepared in accordance with the indenture among the Issuer, ALESCO Preferred Funding X, Inc. (the "Co-Issuer," together with the Issuer, the "Co-Issuers") and U.S. Bank National Association (the "Trustee") dated 15 March 2006 (the "Indenture"). The Issuer is responsible for the NVR being prepared in accordance with the Indenture.

The sufficiency of these procedures is solely the responsibility of the Specified Parties identified in this report. Consequently, we make no representation regarding the sufficiency of the procedures, as described below, either for the purpose for which this report has been requested or for any other purpose. Furthermore, we make no representations and express no opinion as to: (a) questions of legal interpretation, (b) the sufficiency of the requirements of the Indenture, (c) the accuracy, completeness or reasonableness of the assumptions and methodologies set forth in the Indenture and (d) the accuracy, completeness or reasonableness of the information provided to us by the Trustee, on behalf of the Issuer. This report does not constitute a legal determination as to the Issuer's compliance with the Indenture's specified requirements.

We have read the definition of Independent in the Indenture and confirm that we are Independent with respect to the Co-Issuers within that meaning and within Rule 1.200 of the Code of Professional Conduct of the American Institute of Certified Public Accountants.

Capitalized terms used but not defined herein shall have the meanings ascribed to them in the Indenture.

The Trustee, on behalf of the Issuer, provided us with:

- a. Electronic data files and related decodes (the "Data Files") that the Trustee indicated contain information on a portfolio of Bank Trust Preferred Securities, Insurance Trust Preferred Securities, Bank Subordinated Notes, Insurance Subordinated Notes, Surplus Notes and Senior Securities (the "Collateral Debt Securities"),
- b. A copy of the NVR, certain pages of which are attached as Exhibit 1,
- c. A copy of the Indenture,
- d. A copy of the assignment and assumption agreement dated 27 November 2018 (the "Assignment and Assumption Agreement"),
- e. Copies of the swap transaction and confirmations dated either March 2006 or April 2006 (the "Hedge Agreements"), all of which have matured prior to the current Distribution Date,
- f. A copy of the Trustee fee schedule dated 21 February 2006 (the "Trustee Fee Letter") and
- g. Certain assumptions (the "Assumptions"), which are shown on the attached Exhibit 2.

The Trustee, on behalf of the Issuer, indicated that the Collateral Debt Securities on the Data Files were the Collateral Debt Securities held by the Issuer and managed by Hildene Collateral Management Company, LLC (the "Collateral Manager"), successor to ATP Management LLC (an affiliate of Fortress Investment Group LLC, successor to Cohen & Company Financial Management, LLC, formerly known as Cohen Bros Financial Management, LLC, as of the Determination Date related to the Issuer's March 2019 Distribution Date, the information on the Data Files was used to prepare the NVR and the copy of the NVR is the relevant report relating to the Issuer's March 2019 Distribution Date.

The Collateral Manager, on behalf of the Issuer, instructed the Trustee to withhold any Interest Holdback Amount until the next Distribution Date after the failure of the applicable Coverage Tests (in such order of priority pursuant to Section 11.1(a)(i) of the Indenture after the failure of the respective Class of Coverage Test), instead of distributing such Interest Holdback Amount according to Section 11.1 of the Indenture based on their interpretation of the Indenture (the "Collateral Manager Methodology"). Accordingly, the agreed-upon procedures were performed using the Collateral Manager Methodology.

The Issuer is responsible for the information contained in the Data Files, Exhibits 1 and 2 and the Collateral Manager Methodology. Except as indicated below, we performed no procedures to test the accuracy or completeness of the information provided to us.

Unless otherwise specified in this report, the foregoing procedures were limited to a comparison of numbers or a recomputation of specified calculations applicable to the amounts and percentages appearing on Exhibit 1. We undertake no responsibility to update this report for events and circumstances occurring after the date of this report.
