**CDR LIMITED**  
**DIRECTORS' REPORT**

The Directors present their report and the audited financial statements for the year ended 31 December 2021.

**INCORPORATION**

The Company was incorporated in Jersey as a Public Company on 7 January 2005.

**ACTIVITIES**

The principal activity of the Company is to act as the issuer in a Pass-Through Certificate Issuance Programme relating to loan obligations of Banco Nacional de Cuba. The programme is listed on The International Stock Exchange (TISE) in the Channel Islands.

The Company holds title to a portfolio of loan obligations of Banco Nacional de Cuba, guaranteed by the Republic of Cuba. However, due to the nature of the participation by security holders in the programme, which gives a contractual pass through of all rights and responsibilities of ownership, the Directors do not regard it as appropriate to treat those assets as assets of the Company.

**RESULTS AND DIVIDENDS**

The Company made a loss during the year of GBP 53,853 (2020: loss GBP 50,197). No dividends are proposed for the year (2020: nil).

**REVIEW OF DEVELOPMENTS**

The Pass-Through Certificate Issuance Programme has performed as expected for the year under review.

**FINANCIAL RISK MANAGEMENT**

The Company is exposed to currency risk, liquidity risk and credit risk arising from the assets and liabilities held on the Statement of Financial Position.

Set out below is a description of the principal risks inherent in the Company's activities:

*Currency risk*

The Pass-Through Certificate Securities are exposed to foreign exchange risk. Foreign exchange risk arises from monetary assets and liabilities denominated in foreign currencies. The Company itself is not exposed to any foreign exchange risk and as such does not systematically hedge its foreign exchange risks.

*Liquidity risk*

The Company does not have any material debtors.

A general meeting of the Security holders was held on 19 March 2019 at which it was resolved to amend the terms of the Principal Trust Deed, dated 28 September 2005 relating to the Programme, in order to allow the Company, as Issuer, to be able to incur indebtedness up to an amount not exceeding GBP 400,000 in aggregate, provided that such indebtedness is unsecured. On 28 March 2019, the Company entered into a limited recourse, unsecured loan arrangement with a connected party, in which the Company may borrow up to a total principal amount of GBP 400,000. The proceeds of the loan will be utilised to fund the Expense Reserve and meet the ordinary expenses of the Company.

*Credit risk*

Credit risk is the risk resulting from third party counterparty default. The Company's cash is held with financial institutions, which have good credit ratings, such that management does not expect any institution to fail to meet repayments of amounts held on deposit. The Directors have assessed the risk as minimal as all transactions are undertaken with credit worthy counterparties.

**CDR LIMITED****DIRECTORS' REPORT (Continued)****FUTURE DEVELOPMENT**

There have been no assignments issued subsequent to the year end date and there are no assignments planned for the immediate future.

**DIRECTORS AND THEIR INTERESTS**

The Directors, all of whom served throughout the year and to the date of the signing of these financial statements, unless otherwise stated, are disclosed on page 1.

None of the Directors have an interest in the share capital of the Company.

**SECRETARY**

The secretary of the Company throughout the year and to the date of the signing of these financial statements was as disclosed on page 1.

**EMPLOYEES**

The Company had no employees. Administrative functions were outsourced to Apex Financial Services (Corporate) Limited.

**AUDITOR**

The auditor, Lubbock Fine LLP, has expressed a willingness to continue in office.

**STATEMENT OF DIRECTORS' RESPONSIBILITIES**

The Directors are responsible for preparing the financial statements in accordance with applicable law and regulations.

Directors are required by the Companies (Jersey) Law 1991, as amended, to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that year. Under that law the Directors have elected to prepare the financial statements in accordance with United Kingdom Accounting Standards, including Financial Reporting Standard 102, 'The Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland' ('FRS 102'). In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures being disclosed and explained within the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

**CDR LIMITED****DIRECTORS' REPORT (Continued)**

The Directors are responsible for keeping proper accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies (Jersey) Law 1991, as amended. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

So far as the Directors are aware, there is no relevant audit information of which the Company's auditors are unaware, and each Director has taken all the steps that he or she ought to have taken as a Director in order to make himself or herself aware of any relevant audit information and to establish that the Company's auditors are aware of that information.

The Directors confirm that they have complied with the above requirements in preparing the financial statements.

BY ORDER OF THE BOARD

**CDR LIMITED****INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF CDR LIMITED****OPINION**

We have audited the financial statements of CDR Limited (the 'Company') for the year ended 31 December 2021, which comprise the Statement of Profit or Loss and Other Comprehensive Income, the Statement of Financial Position, the Statement of Changes in Equity, the Statement of Cash Flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the Company's affairs as at 31 December 2021 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies (Jersey) Law 1991, as amended.

**BASIS FOR OPINION**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**EMPHASIS OF MATTER**

We draw attention to notes 4 and 12 of the financial statements which describe that the fair value of the 'Series C' off-balance sheet loan obligations, classed as "financial assets and liabilities not recognised" were, for the year ended 31 December 2021, based on a 2019 indicative price due to the absence of trading on the securities or relevant market activity between 2020 and 2021. Our opinion is not modified in this respect.

**CONCLUSIONS RELATING TO GOING CONCERN**

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

**OTHER INFORMATION**

The other information comprises the information included in the Annual Report other than the financial statements and our Auditors' Report thereon. The directors are responsible for the other information contained within the Annual Report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

**CDR LIMITED****INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF CDR LIMITED (continued)****RESPONSIBILITIES OF DIRECTORS**

As explained more fully in the Directors' Responsibilities Statement set out on pages 3 and 4, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

**AUDITORS' RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

In identifying and assessing risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, we considered the following:

- Enquiries of management, including obtaining and reviewing supporting documentation, concerning the company's policies and procedures relating to:
  - Identifying, evaluating and complying with laws and regulations and whether they were aware of any instances of non-compliance;
  - detecting and responding to the risks of fraud and whether they have knowledge of any actual, suspected or alleged fraud; and
  - the internal controls established to mitigate risks related to fraud or non-compliance of laws and regulations.
- Discussions among the engagement team regarding how and where fraud might occur in the financial statements and any potential indicators of fraud.

We also obtained an understanding of the legal and regulatory framework that the company operates in, focusing on provisions of those laws and regulations that had direct effect on the determination of material amounts and disclosures in the financial statements. The key laws and regulations we considered in this context included the Companies (Jersey) Law 1991 and FRS 102.

In addition, we considered provisions of other laws and regulations that do not have a direct effect on the financial statements but compliance with which may be fundamental to the company's ability to operate or to avoid a material penalty. These included health and safety regulations and environmental regulations etc.

As a result of these procedures, we considered the particular area that was susceptible to misstatement due to fraud was in respect of management override.

**CDR LIMITED**

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF CDR LIMITED (continued)**

**AUDITORS' RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS (continued)**

Our procedures to respond to risks identified included the following:

- reviewing the financial statement disclosures and testing to supporting documentation to assess compliance with provisions of relevant laws and regulations described as having a direct effect on the financial statements;
- enquiring of management concerning actual and potential litigation and claims;
- performing analytical procedures to identify any unusual or unexpected relationships that may indicate risks of material misstatement due to fraud;
- in addressing the risk of fraud through management override of controls, testing the appropriateness of journal entries and other adjustments; assessing whether the judgements made in making accounting estimates are indicative of a potential bias; and evaluating the rationale of any significant transactions that are unusual or outside the normal course of the company's operations.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our Auditors' Report.

**USE OF OUR REPORT**

This report is made solely to the Company's members, as a body. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an Auditors' Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

**CDR LIMITED**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 31 DECEMBER 2021**

**1. GENERAL INFORMATION**

CDR Limited ('the Company') is an investment holding company.

The Company is incorporated and domiciled in Jersey as a public limited liability company.

The address of its registered office is:

IFC5  
St Helier  
Jersey  
JE1 1ST  
Channel Islands.

**2. STATEMENT OF COMPLIANCE**

The financial statements of the Company have been prepared in compliance with United Kingdom Accounting Standards, including Financial Reporting Standard 102, 'The Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland' ('FRS 102') and the Companies (Jersey) Law 1991, as amended.

**3. ACCOUNTING POLICIES**

**Basis of Preparation**

These financial statements are prepared on a going concern basis, under the historical cost convention, except for the modification to a fair value basis for certain financial assets and liabilities as specified in the accounting policies below.

The preparation of financial statements in conformity with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the Company's accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements are disclosed in note 4.

**Going concern**

During the year the Company made a loss of GBP 53,853 (2020: Loss of GBP 50,197). The Directors have noted the net liability position on the statement of financial position but have prepared these financial statements on the going concern basis having regard to the fact that as disclosed in note 10, following a resolution of an Extraordinary meeting of the security holders held on 19 March 2019, the Company was able to enter into a limited recourse, unsecured loan arrangement with a connected party which allowed the Company to borrow up an unsecured amount up to a total principal amount of GBP 400,000. This allows the Company to have sufficient cash reserves (based on prior run rate) to enable the Company to discharge its liabilities as they fall due for at least 12 months from the date of the signing of these financial statements.

The terms of the loan are set out in note 10, noting in particular that the loan is only repayable to the extent the Company has sufficient net assets available.

**CDR LIMITED**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 31 DECEMBER 2021**

**3. ACCOUNTING POLICIES (continued)**

**Foreign currency**

*Functional and presentation currency*

The Company's functional and presentation currency is the pound sterling.

*Transactions and balances*

Foreign currency transactions are translated into the functional currency using the spot exchange rates at the dates of the transactions.

At each period end foreign currency monetary items are translated using the closing rate. Non-monetary items measured at historical cost are translated using the exchange rate at the date of the transaction and non-monetary items measured at fair value are measured using the exchange rate when fair value was determined.

**Revenue recognition**

All income is accounted for on an accrual basis.

**Expenses**

Expenses are accounted for on an accrual basis.

**Financial instruments**

*Financial assets*

Basic financial assets, including trade and other receivables, cash and bank balances are initially recognised at transaction price. Such assets are subsequently carried at amortised cost using the effective interest method. At the end of each reporting period financial assets measured at amortised cost are assessed for objective evidence of impairment.

Financial assets are derecognised when (a) the contractual rights to the cash flows from the asset expire or are settled, or (b) substantially all the risks and rewards of the ownership of the asset are transferred to another party or (c) control of the asset has been transferred to another party who has the practical ability to unilaterally sell the asset to an unrelated third party without imposing additional restrictions.

**CDR LIMITED****NOTES TO THE FINANCIAL STATEMENTS****FOR THE YEAR ENDED 31 DECEMBER 2021****3. ACCOUNTING POLICIES (continued)****Financial instruments (continued)***Financial liabilities*

Basic financial liabilities, including trade and other payables, and loans from fellow group companies, are initially recognised at transaction price. Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade payables are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade payables are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Financial liabilities are derecognised when the liability is extinguished, that is when the contractual obligation is discharged, cancelled or expires.

*Offsetting*

Financial assets and liabilities are offset and the net amounts presented in the financial statements when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

*Impairment of financial assets***Assets carried at amortised cost**

The Company assesses at the end of each reporting period whether there is objective evidence that a financial asset or group of financial assets is impaired and impairment losses are incurred only if there is objective evidence of impairment as a result of one or more events that occurred after the initial recognition of the asset (a 'loss event') and that loss event (or events) has an impact on the estimated future cash flows of the financial asset or group of financial assets that can be reliably estimated.

Evidence of impairment may include indications that debtors or a group of debtors is experiencing significant financial difficulty, default or delinquency in interest or principal payments, the probability that they will enter bankruptcy or other financial reorganisation, and where observable data indicate that there is a measurable decrease in the estimated future cash flows, such as changes in arrears or economic conditions that correlate with defaults.

For loans and receivables category, the amount of the loss is measured as the difference between the asset's carrying amount and the present value of estimated future cash flows (excluding future credit losses that have not been incurred) discounted at the financial asset's original effective interest rate. The carrying amount of the asset is reduced and the amount of the loss is recognised in the Statement of profit or loss and other comprehensive income. If a loan or held-to-maturity investment has a variable interest rate, the discount rate for measuring any impairment loss is the current effective interest rate determined under the contract. As a practical expedient, the Company may measure impairment on the basis of an instrument's fair value using an observable market price.

**CDR LIMITED****NOTES TO THE FINANCIAL STATEMENTS****FOR THE YEAR ENDED 31 DECEMBER 2021****3. ACCOUNTING POLICIES (continued)****Financial instruments (continued)***Impairment of financial assets (continued)*

If, in a subsequent period, the amount of the impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment was recognised (such as an improvement in the debtor's credit rating), the reversal of the previously recognised impairment loss is recognised in the Statement of profit or loss and other comprehensive income.

**Cash and cash equivalents**

Cash and cash equivalents include cash at bank.

**4. CRITICAL ACCOUNTING JUDGEMENTS AND ESTIMATION UNCERTAINTY**

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

The Company makes estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, seldom equal the related actual results. There are no judgements that have been made by the Directors that materially impact these financial statements.

The Company holds title to a portfolio of loan notes issued by Banco Nacional de Cuba and guaranteed by the Republic of Cuba, however due to the nature of the participation by security holders in those notes, which provide a contractual pass through obligation of all rights and responsibilities of ownership, the Directors do not regard it as appropriate to treat those financial assets and liabilities as assets and liabilities of the Company.

As detailed in note 12, the 2021 fair value was based from indicative prices that were provided by Allia C&C Limited, except for Series C which was based on a 2019 indicative price that was provided by Tellimer Limited.

**5. ADMINISTRATIVE EXPENSES**

	31 December 2021 GBP	31 December 2020 GBP
Administration fees	12,923	13,235
Agency fees	6,000	6,000
Audit fees	5,300	5,200
Security trustees fees	4,063	4,063
Stock exchange fees	8,575	8,400
Accountancy fees	1,250	1,250
Annual return fee	235	235
ISE annual fee	300	200
Bank charges and interest	139	110
	<u>38,785</u>	<u>38,693</u>

**CDR LIMITED**

**NOTES TO THE FINANCIAL STATEMENTS (Continued)**  
**FOR THE YEAR ENDED 31 DECEMBER 2021**

**5. ADMINISTRATIVE EXPENSES (continued)**

GBP 1,500 (2020: GBP 1,500) of the total administration fees relates to administration fees of CDR Charitable Trust, the Company's ultimate controlling party.

**6. INTEREST EXPENSE**

	31 December 2021 GBP	31 December 2020 GBP
Loan interest expense	<u>15,068</u>	<u>11,504</u>

**7. TAXATION**

Profits arising in the Company are subject to tax at the standard rate in Jersey of 0%, as such no tax reconciliation has been included in these financial statements.

The Company is categorised as an International Service Entity ('ISE') and as such is required to pay an annual ISE fee. As an ISE, the Company is exempt from Goods and Services Taxation.

**8. DEBTORS AND PREPAYMENTS: Amounts falling due within one year:**

	31 December 2021 GBP	31 December 2020 GBP
Prepayments	<u>3,841</u>	<u>10,050</u>

**9. CREDITORS: Amounts falling due within one year:**

	31 December 2021 GBP	31 December 2020 GBP
Administration fees billed £1,250, accrued £10,250 (2020: £11,600 accrued)	11,500	11,600
Audit fees accrued	5,200	5,100
Servicer fees accrued	1,750	1,750
Accountancy fees accrued	2,500	2,500
Agency fees accrued	1,500	7,500
Stock exchange fees accrued	<u>2,275</u>	<u>-</u>
	<u>24,725</u>	<u>28,450</u>

The Directors are of the opinion that the servicer fees creditor is not expected to be paid nor billed by the relevant counterparty. The Directors have taken the opinion to accrue the service fee annually (GBP 1,750) which will be reviewed and provided against on a rolling basis unless other circumstances arise.

**CDR LIMITED****NOTES TO THE FINANCIAL STATEMENTS (Continued)****FOR THE YEAR ENDED 31 DECEMBER 2021****10. CREDITORS: Amounts falling due after one year:**

	31 December 2021 GBP	31 December 2020 GBP
Loan due to Framley Consultancy Limited	166,045	115,045
Loan interest due to Framley Consultancy Limited	32,196	17,128
	<u>198,241</u>	<u>132,173</u>

The above loan is unsecured and bears interest at 10% per annum. The loan and interest thereon are repayable on the earlier of (a) the date on which the Securities are fully redeemed in accordance with Condition 6 (Redemption) of the Securities, (b) the date of the sale of all or part of the Underlying Assets and (c) the date on which all or part of the Underlying Assets are distributed to the Securityholders. The Company is able to borrow up to GBP 400,000 but is only liable to repay the loan to the extent of the net assets of the Company.

As at 31 December 2021, GBP 233,955 (2020: GBP 284,955) of the total loan facility remains undrawn.

**NOTES TO THE FINANCIAL STATEMENTS (Continued)**  
**FOR THE YEAR ENDED 31 DECEMBER 2021**

**12. FINANCIAL INSTRUMENTS (continued)***Fair value of financial assets and liabilities not recognised*

The Company holds title to a portfolio of loan obligations of Banco Nacional de Cuba, guaranteed by the Republic of Cuba. However, due to the nature of the participation by security holders in the programme, which gives a contractual pass through of all rights and responsibilities of ownership, the Directors do not regard it as appropriate to treat those assets and liabilities as assets and liabilities of the Company. Details of these are follows:-

Fair Value not recognised 31 December 2021 GBP	Fair Value not recognised 31 December 2020 GBP
<u>18,473,900</u>	<u>12,301,630</u>

The non-performing loans were issued by Banco Nacional de Cuba and, subject to certain eligibility criteria set out in the Information Memorandum, have been assigned to the Company by the beneficial owners of the loans in exchange for the issuance of pass-through obligations (the 'Securities'). The Company has no legal rights to the non-performing loans which have been assigned or to any monies arising from them.

The non-performing loans are as follows: -

	Nominal Value	Fair Value not recognised in Own Currency	Fair Value not recognised in Book Currency 31 December 2021 GBP	Fair Value not recognised in Book Currency 31 December 2020 GBP

**CDR LIMITED****NOTES TO THE FINANCIAL STATEMENTS (Continued)****FOR THE YEAR ENDED 31 DECEMBER 2021****12. FINANCIAL INSTRUMENTS (continued)**

The 2021 fair value was based on indicative prices that were provided by Allia C&C Limited except for Series C which was based on a 2019 indicative price that was provided by Tellimer Limited. Due to the absence of trading on the Series C Securities or relevant market activity, it is difficult to obtain the 2021 indicative price. As a result, the Directors took a prudent decision to apply the 2019 indicative price for the Series C provided by Tellimer Limited for 2021. The 2021 fair value is based on a percentage of the nominal value in the original currency as shown below and converted to Sterling using the exchange rates at 31 December 2021. Tellimer Limited is a global technology, information, and data provider and Allia C&C Limited provide customers with intelligence and brokerage services for investors.

'A' Short Term Non Trade pre 1987	10.00%	(2020: 6.00%)

Securities issued	<u>18,473,900</u>	<u>12,301,630</u>

The Company has issued securities under the EUR 2,000,000,000 Pass-Through Certificate Issuance Programme Securities in bearer form representing interests in non-performing loans of Banco Nacional de Cuba. The Securities are pass-through obligations and not indebtedness of the Company. Each Security evidences the right of its Security holder to receive (after deduction of applicable taxes and expenses) distributions equal to that Security's pro rata share of all principal, interest and other amounts actually received by the Company in respect of the non-performing loans.

The following Series have been issued:-

Series	Nature of Security	Maximum principal Sum	Nominal Value of securities issued
A	Pass-through Certificate due 2025	EUR 276,000,000	EUR 48,362,708
B	Pass-through Certificate due 2025	CHF 412,000,000	CHF 36,325,000
C	Pass-through Certificate due 2025	JPY 20,000,000,000	JPY 5,475,210,830
D	Pass-through Certificate due 2025	EUR 260,000,000	EUR 49,692,396
E	Pass-through Certificate due 2025	JPY 7,874,000,000	JPY 2,018,897,452
F	Pass-through Certificate due 2025	EUR 154,000,000	EUR 1,866,908
G	Pass-through Certificate due 2025	JPY 20,000,000,000	JPY 4,508,888,760

**CDR LIMITED**  
**NOTES TO THE FINANCIAL STATEMENTS (Continued)**  
**FOR THE YEAR ENDED 31 DECEMBER 2021**

**12. FINANCIAL INSTRUMENTS (continued)**

The fair value of the sum of the above Series is GBP 18,473,900 (2020: GBP 12,301,630) as these securities directly correspond to the non-performing loans.
