RESONANCE WIND FINANCE LIMITED

Report of the Directors'

The directors submit their report and the audited financial statements for the year ended 31 December 2023. The Directors of the Company who served during the year and up to the date of this report are set out on page 2.

Principal activities

The principal activity of the Company is to provide loan financing to the investee companies of Resonance British Wind Energy Income Limited ("RBWEIL").

Results

The profit for the year ended 31 December 2023 amounted to £1,586 (2022: £1,560).

Going Concern

The directors have made an assessment of going concern for a period of 12 months from the date of approval of the financial statements, taking into account both the Company's current performance and outlook using information available to the date of issue of these financial statements. As part of this assessment the Directors considered:

- An analysis of the Company's liquidity; and
- Any potential concerns with respect to the carrying value of the Company's assets as set out in the financial statements.

The profit for the year was £1,586 and as at 31 December 2023, there was a net liability of £158,005. Management has considered the impact of this, and having performed the assessment, the directors have prepared the financial statements on a going concern basis on the grounds that a significant proportion of creditors are due to a related party group company and the current and future resources of funding or support will be more than adequate for the Company's needs. In the event that additional funds should be needed to support the Company, subject to the project being commercial on a long term basis, the directors would seek to procure and a confident that they would be able to secure any necessary funding from the parent company. The Company has a letter of support from Resonance British Wind Energy Income Limited, the ultimate controlling party of the Company which commits to meeting the liabilities of the Company for the next 12 months from the date of signing, provided they remain an asset. The directors have considered a period of 12 months for the date of approval of the annual financial statements considering all reasonable fluctuations in the forecast assumptions and currently forecast that the Company is commercial on a long term basis.

Provision of information to auditor

Each of the persons who are directors at the time when this Report of the Directors' is approved has confirmed that:

- so far as they are aware, there is no relevant audit information of which the Company's auditor is unaware; and
- they have taken all the steps that ought to have been taken as a director in order to be aware of any information needed by the company's auditor in connection with preparing its report and to establish that the Company's auditor is aware of that information.

Statement of Directors' Responsibilities

The directors are responsible for preparing the Report of the Directors and the financial statements in accordance with applicable law and regulations.

The directors have elected to prepare the financial statements in accordance with applicable law and Section 1A of FRS 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (UK Generally Accepted Accounting Practice applicable to Smaller Entities).

RESONANCE WIND FINANCE LIMITED

Report of the Directors' (continued)

Statement of Directors' Responsibilities (continued)

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and profit or loss of the Company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- assess the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and
- use the going concern basis of accounting unless they either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so; and
- prepare financial statements which give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period

The directors are responsible for keeping proper accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error, and have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Company and to prevent and detect fraud and other irregularities.

The directors are responsible for the maintenance and integrity of the corporate and financial information on the Company's website. Legislation in the UK governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Independent Auditor

Our independent auditor, KPMG Channel Islands Limited, is deemed to have been re-appointed in accordance with section 487 of the Companies Act 2006.

Small company provisions

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption. As a small Company, it has used the reduced reporting disclosure exemption available in accordance with Section 1A of FRS 102 of The Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland.

This report was approved by the Board of Directors on 27th June 2024 and signed on behalf of the board by:

Director

Independent Auditor's Report to the Members of Resonance Wind Finance Limited

Our opinion

We have audited the financial statements of Resonance Wind Finance Limited (the "Company"), which comprise the statement of financial position as at 31 December 2023, the statement of income and retained earnings for the year then ended, and notes, comprising significant accounting policies and other explanatory information.

In our opinion, the accompanying financial statements:

- give a true and fair view of the state of the Company's affairs as at 31 December 2023 and of the Company's profit for the year then ended;
- are properly prepared in accordance with United Kingdom accounting standards, including Section 1A of FRS 102 The Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland; and
- have been prepared in accordance with the requirements of the Companies Act 2006

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities are described below. We have fulfilled our ethical responsibilities under, and are independent of the Company in accordance with, UK ethical requirements including FRC Ethical Standards. We believe that the audit evidence we have obtained is a sufficient and appropriate basis for our opinion.

Going concern

The directors have prepared the financial statements on the going concern basis as they do not intend to liquidate the Company or to cease its operations, and as they have concluded that the Company's financial position means that this is realistic. They have also concluded that there are no material uncertainties that could have cast significant doubt over its ability to continue as a going concern for at least a year from the date of approval of the financial statements (the "going concern period").

In our evaluation of the directors' conclusions, we considered the inherent risks to the Company's business model and analysed how those risks might affect the Company's financial resources or ability to continue operations over the going concern period.

Our conclusions based on this work:

- we consider that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate; and
- we have not identified, and concur with the directors' assessment that there is not, a material uncertainty related to events or conditions that, individually or collectively, may cast significant doubt on the Company's ability to continue as a going concern for the going concern period.

However, as we cannot predict all future events or conditions and as subsequent events may result in outcomes that are inconsistent with judgements that were reasonable at the time they were made, the above conclusions are not a guarantee that the Company will continue in operation.

Fraud and breaches of laws and regulations - ability to detect

Identifying and responding to risks of material misstatement due to fraud

To identify risks of material misstatement due to fraud ("fraud risks") we assessed events or conditions that could indicate an incentive or pressure to commit fraud or provide an opportunity to commit fraud. Our risk assessment procedures included:

- enquiring of management as to the Company's policies and procedures to prevent and detect fraud as well as enquiring whether management have knowledge of any actual, suspected or alleged fraud;
- reading minutes of meetings of those charged with governance; and
- using analytical procedures to identify any unusual or unexpected relationships.

Independent Auditor's Report to the Members of Resonance Wind Finance Limited (continued)

As required by auditing standards, we perform procedures to address the risk of management override of controls, in particular the risk that management may be in a position to make inappropriate accounting entries. On this audit we do not believe there is a fraud risk related to revenue recognition because the Company's revenue streams are simple in nature with respect to accounting policy choice, and are easily verifiable to external data sources or agreements with little or no requirement for estimation from management. We did not identify any additional fraud risks.

We performed procedures including

- Identifying journal entries and other adjustments to test based on risk criteria and comparing any identified entries to supporting documentation; and
- incorporating an element of unpredictability in our audit procedures.

Identifying and responding to risks of material misstatement due to non-compliance with laws and regulations

We identified areas of laws and regulations that could reasonably be expected to have a material effect on the financial statements from our general sector experience and through discussion with management (as required by auditing standards), and discussed with management the policies and procedures regarding compliance with laws and regulations.

The Company is subject to laws and regulations that directly affect the financial statements including financial reporting legislation and taxation legislation and we assessed the extent of compliance with these laws and regulations as part of our procedures on the related financial statement items.

The Company is subject to other laws and regulations where the consequences of non-compliance could have a material effect on amounts or disclosures in the financial statements, for instance through the imposition of litigation or impacts on the Company's ability to operate. We identified company law as being the area most likely to have such an effect. Auditing standards limit the required audit procedures to identify non-compliance with these laws and regulations to enquiry of management and inspection of regulatory and legal correspondence, if any. Therefore if a breach of operational regulations is not disclosed to us or evident from relevant correspondence, an audit will not detect that breach.

Context of the ability of the audit to detect fraud or breaches of law or regulation

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements, even though we have properly planned and performed our audit in accordance with auditing standards. For example, the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely the inherently limited procedures required by auditing standards would identify it.

In addition, as with any audit, there remains a higher risk of non-detection of fraud, as this may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls. Our audit procedures are designed to detect material misstatement. We are not responsible for preventing non-compliance or fraud and cannot be expected to detect non-compliance with all laws and regulations.

The Report of the Directors

The directors are responsible for the Report of the Directors. Our opinion on the financial statements does not cover that report and we do not express an audit opinion thereon.

Our responsibility is to read the Report of the Directors and, in doing so, consider whether, based on our financial statements audit work, the information therein is materially misstated or inconsistent with the financial statements or our audit knowledge. Based solely on that work:

- we have not identified material misstatements in the Report of the Directors;
- in our opinion the information given in that report for the financial year is consistent with the financial statements; and
- in our opinion that report has been prepared in accordance with the Companies Act 2006

Independent Auditor's Report to the Members of Resonance Wind Finance Limited (continued)

Matters on which we are required to report by exception

Under the Companies Act 2006, we are required to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to prepare the financial statements in accordance with the small companies regime, take advantage of the small companies exemption in preparing the directors' report and take advantage of the small companies exemption from the requirement to prepare a strategic report.

We have nothing to report in these respects.

Respective responsibilities

Directors' Responsibilities

As explained more fully in their statement set out on pages 3 and 4, the directors are responsible for: the preparation of the financial statements including being satisfied that they give a true and fair view; such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error; assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and using the going concern basis of accounting unless they either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue our opinion in an auditor's report. Reasonable assurance is a high level of assurance, but does not guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

A fuller description of our responsibilities is provided on the FRC's website at www.frc.org.uk/auditorsresponsibilities.

The purpose of our audit work and to whom we owe our responsibilities

This report is made solely to the Company's member, in accordance with chapter 3 of part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's member those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and its member, as a body, for our audit work, for this report, or for the opinions we have formed.

The accompanying notes on pages 10 to 15 form an integral part of the financial statements.

RESONANCE WIND FINANCE LIMITED

Notes of the Financial Statements

For the year ended 31 December 2023

1. General Information

The Company is a private company, limited by shares, registered in England and Wales. The registered office is 6-16 Huntsworth Mews, London, NW1 6DD. Registration number: 08624957.

2. Statement of Compliance

The financial statements have been prepared in accordance with the provisions of Section 1A of FRS 102, 'The Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice to Smaller Entities) and the companies act 2006.

The financial statements have been prepared on the historical cost basis, as modified for the measurement of certain financial instruments at fair value through profit or loss.

3. Accounting policies

3.1 Basis of preparation of financial statements

These financial statements for the year ended 31 December 2023 have been prepared in accordance with FRS102 Section 1A small entities and Companies Act 2006.

The financial statements are presented in Pound Sterling ("Sterling"), which is functional currency of the entity.

3.2 Going Concern

The directors have made an assessment of going concern for a period of 12 months from the date of approval of the financial statements, taking into account both the Company's current performance and outlook using information available to the date of issue of these financial statements. As part of this assessment the Directors considered:

- An analysis of the Company's liquidity; and
- Any potential concerns with respect to the carrying value of the Company's assets as set out in the financial statements.

The profit for the year was £1,586 and as at 31 December 2023, there was a net liability of £158,005. Management has considered the impact of this, and having performed the assessment, the directors have prepared the financial statements on a going concern basis on the grounds that a significant proportion of creditors are due to a related party group company and the current and future resources of funding or support will be more than adequate for the Company's needs. In the event that additional funds should be needed to support the Company, subject to the project being commercial on a long term basis, the directors would seek to procure and a confident that they would be able to secure any necessary funding from the parent company. The Company has a letter of support from Resonance British Wind Energy Income Limited, the ultimate controlling party of the Company which commits to meeting the liabilities of the Company for the next 12 months from the date of signing, provided they remain an asset. The directors have considered a period of 12 months for the date of approval of the annual financial statements considering all reasonable fluctuations in the forecast assumptions and currently forecast that the Company is commercial on a long term basis.

RESONANCE WIND FINANCE LIMITED

Notes of the Financial Statements (continued)

For the year ended 31 December 2023

3. Accounting policies (continued)

3.3 *Critical accounting judgements, estimates and assumptions*

In preparing these financial statements in conformity with FRS102 Section 1A, the directors have made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ for these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to estimates are recognised prospectively.

a. Judgements

Determination of functional currency

Functional currency is the currency of the primary economic environment in which the Company operates. If indicators of the primary economic environment are mixed, then management uses its judgement to determine the functional currency that most faithfully represents the economic effect of the underlying transactions, events and conditions. The majority of the Company's transactions are denominated in Sterling. Shareholder contributions and distributions are also received and paid in Sterling. Accordingly, the directors have determined that the functional currency of the Company is Sterling.

b. Estimates and assumptions

Impairment tests on the carrying value of debtors are undertaken:

- at the end of the first full financial period following acquisition and each year thereafter; and
- in other periods if events or changes in circumstances indicate that the carrying value may not be recoverable.

Should the impairment review indicate a permanent diminution in value, the carrying value is written down accordingly.

There are no other material estimates and assumption included in the financial statements.

3.4 *Turnover*

Turnover comprises interest on loan financing provided to investee companies of Resonance British Wind Energy Income Limited ("RBWEIL") and a management service fee due by RBWEIL as detailed in note 10. This income is recognised on an accruals basis.

3.5 *Interest income*

Bank interest and similar income, are accounted for on and accruals basis.

3.6 *Interest expenses and similar charges*

Interest payable is accounted for on and accruals basis.

3.7 *Taxation*

The taxation expense represents the aggregate amount of current and deferred tax recognised in the reporting period. Tax is recognised in Statement of Income and Retained Earnings, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, tax is recognised in other comprehensive income or directly in equity respectively.

RESONANCE WIND FINANCE LIMITED

Notes of the Financial Statements (continued)

For the year ended 31 December 2023

3. Accounting policies (continued)

3.7 Taxation (continued)

Current tax is recognised on taxable profit for the current and past periods. Current tax is measured at the amounts of tax expected to pay or recover using the tax rates and laws that have been enacted or substantively enacted at the reporting date.

Deferred tax is recognised in respect of all timing differences at the reporting date. Unrelieved tax losses and other deferred tax assets are recognised to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits. Deferred tax is measured using the tax rates and laws that have been enacted or substantively enacted by the reporting date that are expected to apply to the reversal of the timing difference.

3.8 Expenses recognition

Expenses are accounted for on an accruals basis and are recognised in the period in which they are incurred.

3.9 Foreign currency translation

Foreign currency monetary assets and liabilities are translated into Sterling at the rate of exchange ruling at the Statement of Financial Position date. Transactions in foreign currency are translated at the rate of exchange ruling at the date of the transaction. Foreign exchange gains and losses are included in the Statement of Income and Retained Earnings.

3.10 Financial instruments

The Company has chosen to adopt Section 11 and Section 12 of FRS 102 in respect of financial instruments.

Financial assets

These assets are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. They principally comprise loan financing advanced and cash and cash equivalents. They are basic financial instruments and therefore initially recognised at fair value plus transaction costs that are directly attributable to the acquisition and subsequently carried at amortised cost using the effective interest rate method, less provisions for impairment.

Financial liabilities

Financial liabilities comprise creditors and loans which are basic financial liabilities and are recognised initially at fair value net of directly attributable transaction costs. Creditors are subsequently stated at amortised cost using the effective interest rate method.

Cash and cash equivalents

Cash and cash equivalents comprise bank balances and short term cash deposits with original maturities of 3 months or less.

4. Auditor's remuneration
