Directors' responsibility statement

The Directors are responsible for preparing the interim condensed consolidated financial report in accordance with applicable law and regulations. This interim condensed consolidated financial report has been prepared in accordance with the IFRS Accounting Standards as adopted by the European Union.

In preparing this interim condensed consolidated financial report, the Directors are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable IFRS Accounting Standards as adopted by the European Union have been followed, subject to any material departures disclosed and explained in the interim condensed consolidated financial report; and
- prepare the interim condensed consolidated financial report on the going concern basis unless it is inappropriate to presume that the Group will continue in business.

The Directors confirm that the interim condensed consolidated financial report complies with the above requirements.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Group's transactions and disclose with reasonable accuracy at any time the financial position of the Group. They are also responsible for safeguarding the assets of the Group and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

1 General information

Ouestia Holdings S.A. (the "Company") is a Luxembourg company incorporated on 18 June 2014 as a company under the form of a "Société Anonyme" for an unlimited period of time and subject to the Luxembourg company law.

The address of its registered office is: 2-4 rue Eugène Ruppert L-2453 Luxembourg

The purpose of the Company is the holding of financial participations in Luxembourg and foreign companies and in any other form of investment, the acquisition by purchase, subscription or in any other manner as well as the transfer by sale, exchange or otherwise of securities of any kind and the administration, management, control and development of its portfolio.

The Company's shares are listed on The International Stock Exchange ("TISE").

The financial year of the Company and the Group starts on January 1st and ends on December 31st of each year. Interim reporting is prepared for the first six months of each financial year, being January 1st to June 30th.

These condensed consolidated financial statements are prepared in Great British Pounds ("GBP") and rounded to the nearest £'000.

2 Summary of significant accounting policies

2.1 Basis of preparation

The accounting policies and methods of computation applied in the preparation of the interim condensed consolidated financial statements are the same as the most recent annual financial statements authorised by the Directors'. The most recent annual financial statements authorised were for the year ended 31 December 2023 and were authorised on 25 June 2024.

Statement of compliance

The condensed consolidated financial statements for the six months ended 30 June 2024 have been prepared on a going concern basis and in accordance with the International Financial Reporting Standards ("IFRS") as issued by the International Accounting Standards Board ("IASB") and interpretations issued by the IFRS Interpretations Committee ("IFRIC").

As these interim condensed financial statements are prepared in accordance with the requirements of IAS 34 *Interim Financial Reporting*, a full list of accounting policies is not required to be presented within this report and reference to the accounting policies in the most recent authorised annual financial statements mentioned above should be made for these.

2.2 Basis of consolidation

The condensed consolidated financial statements comprise the financial statements of the Company and its subsidiaries (hereinafter the "Group") for the six months ended 30 June 2024. Subsidiaries are fully consolidated from the date of acquisition or incorporation, being the date on which the Company obtains control, and continue to be consolidated until the date when such control ceases. A full list of the Company's subsidiaries is detailed at note 6.

Notes to the condensed consolidated financial statements (continued) For the six months ended 30 June 2024

2 Summary of significant accounting policies (continued)

2.2 Basis of consolidation (continued)

The financial statements of the subsidiaries are prepared for the same reporting year as the parent company, using consistent accounting policies. All intra-group balances, transactions, unrealised gains or losses, resulting from intra-group transactions are eliminated in full.

3 Segmental Analysis

The Directors have identified only one geographical and only one operating segment in the Group and therefore is not required to produce additional segmental disclosure.

4 Immediate and ultimate parent entities

The immediate parent entity is Ouestia Property Limited Partnership, a limited partnership registered in the UK and managed by the general partner, Ouestia Property GP Limited. In the opinion of the Directors, there is no single ultimate controlling party and the Company is ultimately jointly controlled by the groups headed by AXA France Assurance ('AXA') and The People's Bank of China.
