**RECOMMENDED CASH ACQUISITION
OF
THE INTERNATIONAL STOCK EXCHANGE GROUP LIMITED ("TISE")
BY
MIH EAST HOLDINGS, LIMITED ("BIDCO")
(a wholly-owned subsidiary of Miami International Holdings, Inc. ("MIH"))**

Results of the Court Meeting and the General Meeting

On 19 March 2025, it was announced that the boards of TISE and Bidco had reached agreement on the terms of a recommended cash offer to be made by Bidco for the entire issued and to be issued ordinary share capital of TISE (other than that already owned by Bidco) (the "**Announcement**") (the "**Acquisition**"). As described in the Announcement, it is intended that the Acquisition will be implemented by means of a scheme of arrangement under Part VIII of the Companies (Guernsey) Law, 2008 (as amended) (the "**Scheme**").

TISE is pleased to announce that, at the Court Meeting and General Meeting held earlier today in connection with the Acquisition:

- the requisite majority of Scheme Shareholders voted (in person or by proxy) to approve the Scheme at the Court Meeting; and
- the requisite majority of TISE Shareholders voted (in person or by proxy) to pass the Resolution to implement the Scheme, including the amendment to TISE's articles of incorporation, at the General Meeting.

Full details of the resolutions passed are set out in the notices of the Court Meeting and General Meeting contained in the scheme document in relation to the Scheme posted to TISE Shareholders on 1 April 2025 (the "**Scheme Document**") at Part 9 and Part 10 respectively.

Unless the context provides otherwise, words and expressions defined in the Scheme Document shall have the same meanings in this announcement.

Voting results at the Court Meeting

The table below sets out the results of the poll at the Court Meeting. Each Scheme Shareholder present (in person or by proxy) was entitled to one vote per Scheme Share held at the Voting Record Time. The total number of Scheme Shares in issue at the Voting Record Time was 2,003,968, carrying one vote each. Consequently, the total number of voting rights attributed to Scheme Shares at the voting record time for the purposes of the Court Meeting was 2,003,968.

Next steps and timetable

The outcome of today's Court Meeting and General Meeting means Conditions 2(a) and 2(b) (as set out in Part A of Part 4 of the Scheme Document) have been satisfied.

Completion of the Acquisition remains subject to the satisfaction (or, where applicable, waiver) of the remaining Conditions set out in the Scheme Document, including the JCRA Condition and the sanction of the Scheme by the Court at the Sanction Hearing. The Sanction Hearing will take place as soon as reasonably practicable after Bidco confirms the satisfaction or waiver of the conditions relating to the Scheme.

The indicative timetable of the key milestones outstanding under the Scheme remains as set out on page 9 of the Scheme Document and a further announcement on timetable will be made in due course.

Additional Information for US investors in TISE

Any US holders of TISE Shares should note that the Acquisition relates to the shares of a Guernsey company which are admitted to trading on the Official List and is proposed to be implemented by means of a scheme of arrangement provided for under the laws of Guernsey. A transaction effected by means of a scheme of arrangement is not subject to the tender offer or proxy solicitation rules under the US Exchange Act. Accordingly, the Acquisition is subject to the procedural and disclosure requirements, rules and practices applicable in Guernsey involving a target company incorporated in Guernsey whose shares

are listed and admitted to trading on the Official List, which differ from the requirements of the US tender offer and proxy solicitation rules.

The financial information included in the Scheme Document has been prepared in accordance with FRS 102 and thus may not be comparable to financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the United States. Generally accepted accounting principles in the United States differ in certain significant respects from FRS 102. None of the financial information in this announcement and the Scheme Document has been audited in accordance with auditing standards generally accepted in the United States or the auditing standards of the Public Company Accounting Oversight Board (United States).

Bidco reserves the right, subject to obtaining the prior consent of the Panel, to elect to implement the Acquisition by way of a Takeover Offer. If, in the future, Bidco exercises its right to implement the Acquisition by way of a Takeover Offer, and determines to extend the Takeover Offer into the United States, such Takeover Offer and the Acquisition will be made in compliance with the applicable US laws and regulations including to the extent applicable Section 14(e) of the US Exchange Act and Regulation 14E thereunder, and in accordance with the Takeover Code. Accordingly, the Acquisition would be subject to disclosure and other procedural requirements, including with respect to withdrawal rights, offer timetable, settlement procedures and timing of payments that are different from those applicable under US domestic tender offer procedures and law. Such a Takeover Offer would be made in the United States by Bidco and no one else.

It may be difficult for any US holders of TISE Shares to effect service of process within the United States against Bidco or TISE or their respective officers and directors or to enforce their rights and any claim arising out of US federal or state securities laws in connection with the Acquisition, since each of Bidco and TISE are located in a non-US jurisdiction, and some or all of their officers and directors may be residents of, and some or all of their assets may be located in, a non-US jurisdiction. US holders of TISE Shares may not be able to sue a non-US company or its officers or directors in a non-US court for violations of US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's judgement.

None of the securities referred to in this announcement have been approved or disapproved by the US Securities and Exchange Commission, any US state securities commission or any other US regulatory authority, nor have such authorities approved or disapproved or passed judgement upon the fairness or the merits of the Acquisition, or determined if the information contained in this announcement is adequate, accurate or complete. Any representation to the contrary is a criminal offence in the US.

Any US holders of TISE Shares should also be aware that the transaction contemplated (including the receipt of consideration pursuant to the Acquisition) may have tax consequences in the US and that such consequences, if any, are not described herein. US holders of shares in TISE are urged to consult their independent legal, tax and financial advisers in connection with making a decision regarding this transaction.

In accordance with the Takeover Code and to the extent permitted under Rule 14e-5(b) of the US Exchange Act, Bidco, certain affiliated companies or their respective nominees, or brokers (acting as agents) may from time to time make certain purchases of, or arrangements to purchase, TISE securities other than pursuant to the Acquisition, either in the open market at prevailing prices or through privately negotiated purchases at negotiated prices outside the US until the date on which the Scheme becomes Effective, lapses or is otherwise withdrawn (or, if the Acquisition is implemented by way of a Takeover Offer, before or during the period in which such Takeover Offer would remain open for acceptance). Such purchases, or arrangements to purchase would comply with applicable law, including the US Exchange Act (if applicable), Guernsey law, the Takeover Code and the Listing Rules. Any information about such purchases will be disclosed to the Panel and, to the extent that such information is required to be publicly disclosed in accordance with applicable regulatory requirements, will be made available to all investors (including US investors) via an Regulatory Information Service and on The International Stock Exchange website at <https://tisegroup.com/>.

Forward-looking statements

This announcement, oral statements regarding the Acquisition, and other information published by Bidco, MIH and TISE contain statements which are, or may be deemed to be, "forward-looking statements". Forward-looking statements are statements of future expectations which are prospective in nature and are not based on historical facts, but rather on current expectations, projections and assumptions of the management of MIH and/or Bidco or TISE (as the case may be) about future events, and are, therefore, subject to risks, uncertainties and changes in circumstances that could cause actual results, performance or events to differ materially from those expressed or implied in these statements.

The forward-looking statements contained in this announcement include statements relating to the expected effects of the Acquisition on Bidco, MIH and TISE (including their future prospects, developments and strategies), the expected timing and scope of the Acquisition and other statements other than historical facts. All statements other than statements of historical fact are, or may be deemed to be, forward-looking statements. Often, but not always, forward-looking statements can be identified by the use of forward-looking words such as "plans", "aims", "hopes", "expects" or "does not expect", "is expected", "is subject to", "budget", "projects", "strategy", "scheduled", "estimates", "forecasts", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases and statements that certain actions, events or results "may", "could", "should", "would", "might" or "will" be taken, occur or be achieved.

All forward-looking statements contained in this announcement are expressly qualified in their entirety by the cautionary statements contained or referred to in this section. Although Bidco, MIH and TISE believe that the expectations reflected in such forward-looking statements are reasonable, Bidco, MIH and TISE (and their respective associates, directors, officers and advisers) can give no representation, assurance or guarantee that such expectations will prove to be correct. By their nature, forward-looking statements involve risk and uncertainty because they relate to events and depend on circumstances that are expected to occur in the future. There are a number of factors that could cause actual results and developments to differ materially from those expressed or implied by such forward-looking statements.

These factors include, but are not limited to: the ability to complete the Acquisition; the ability to obtain requisite regulatory and shareholder approvals and the satisfaction of other Conditions on the proposed terms and expected timeframe; future market conditions, changes in general economic and business conditions, the behaviour of other market participants, the anticipated benefits from the proposed transaction not being realised as a result of changes in general economic and market conditions in the countries in which Bidco, MIH and TISE operate, weak, volatile or illiquid capital and/or credit markets, changes in tax rates, interest rate and currency value fluctuations, the degree of competition in the geographic and business areas in which Bidco, MIH and TISE operate, and changes in laws or in supervisory expectations or requirements. Other unknown or unpredictable factors could cause actual results to differ materially from those in the forward-looking statements. Such forward-looking statements should therefore be construed in the light of such factors. None of Bidco, MIH or TISE, nor any of their respective associates or directors, officers or advisers, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this announcement will actually occur. You are cautioned not to place any reliance on these forward-looking statements.

Specifically, statements of estimated cost savings and synergies, if any, relate to future actions and circumstances which, by their nature, involve risks, uncertainties and contingencies. As a result, any cost savings and synergies referred to may not be achieved, may be achieved later or sooner than estimated, or those achieved could be materially different from those estimated.

Each forward-looking statement speaks only as of the date of this announcement. Except as required by applicable law and by the rules of any competent regulatory authority, neither Bidco, MIH or TISE is under any obligation, and Bidco, MIH and TISE expressly disclaim any intention or obligation, to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

Dealing and Opening Position Disclosure Requirements of the Takeover Code

Under Rule 8.3(a) of the Takeover Code, any person who is interested in 1 per cent. or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the offer period and, if later, following the announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by not later than 3.30 p.m. (London time) on the 10th Business Day (as defined in the Takeover Code) following the commencement of the offer period and, if appropriate, by not later than 3.30 p.m. (London time) on the 10th Business Day (as defined in the Takeover Code) following the announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Takeover Code, any person who is, or becomes, interested in 1 per cent. or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s), save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by not later than 3.30 p.m. (London time) on the Business Day (as defined in the Takeover Code) following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3 of the Takeover Code.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4 of the Takeover Code).

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Panel's website at www.thetakeoverpanel.org.uk, including details of the number of relevant securities in issue, when the offer period commenced and when any offeror was first identified. You should contact the Panel's Market Surveillance Unit on +44 (0)20 7638 0129 if you are in any doubt as to whether you are required to make an Opening Position Disclosure or a Dealing Disclosure.
