ATHLONE PROFESSIONAL INVESTOR FUND ICC

GENERAL INFORMATION

Athlone Professional Investor Fund ICC (the "Company") is a private company with limited liability originally registered in Jersey on 31 July 2008 as a public company. The Company was originally incorporated as a protected cell company and converted to an incorporated cell company under the Companies (Jersey) Law 1991 on 29 December 2009. As a result of the Company's conversion to an incorporated cell company (an "ICC"), all of the cells of the Company in existence were themselves converted, by operation of the Companies (Jersey) Law 1991 (the "Law"), from protected cells to incorporated cells.

Each incorporated cell of an ICC is a company and a separate legal entity with the ability to hold assets, contract, sue and be sued in its own name. Similarly, the position of the creditors of an incorporated cell is no different from their position in respect of any other company, and, in the absence of express contractual arrangements, creditors generally only have recourse to the assets of the incorporated cell itself and not to the ICC or any other incorporated cell.

Incorporated cells have their own separate constitutional arrangements and membership of a Jersey ICC is distinct from that of each incorporated cell. Members of an incorporated cell are not, by virtue of that fact, members either of the ICC itself or of any other incorporated cell. Thus, for voting purposes, a member of an incorporated cell of an ICC may not, in that capacity, vote at a general meeting of the ICC, and vice versa.

Each incorporated cell must have a board of directors. To the extent that the board of directors of a cell comprises the same persons as the board of directors of the ICC itself, the directors must meet separately in their capacity as directors of each incorporated cell and, in that capacity, they owe their fiduciary and other duties to the relevant incorporated cell rather than to the ICC. Conversely, when they meet as directors of the ICC they owe their duties to the ICC rather than to any of its incorporated cells.

Each incorporated cell is required to have the same secretary and registered office as the ICC, which, in addition, is responsible for the administration of all incorporated cells it creates. This responsibility includes inter alia ensuring that annual returns in respect of each incorporated cell are lodged. However, each incorporated cell is responsible for the preparation of its accounts in accordance with the Law. The ICC and all of its incorporated cells are not required to have the same fund manager, administrator, investment adviser or custodian, subject always to the provisions of the Collective Investment Funds (Jersey) Law 1988, as amended.

The rights and obligations of the holders of participating shares are governed by the Articles of Association of the relevant cell. Copies of the Articles of Association of the Company and of each cell are available for inspection by holders of participating shares at the Manager's office during normal business hours on any business day. The Articles of Association of a cell may be altered by the passing of a Special Resolution of the Cell.

The incorporated cells created as at the date of signing this report are set out below:

Incorporated Cells	Stock Exchange
Ennis Fund IC	Listed on the TISE on 11 May 2010, delisted 1 November 2021
Forhaven IC	Listed on the TISE on 29 July 2010

ATHLONE PROFESSIONAL INVESTOR FUND ICC

DIRECTORS' REPORT FOR THE YEAR ENDED 31 DECEMBER 2024

The Directors present their annual report and financial statements of Athlone Professional Investor Fund ICC (the "Company") for the year ended 31 December 2024.

PRINCIPAL ACTIVITY

Athlone Professional Investor Fund ICC (the "Company") is a private company with limited liability registered in Jersey on 31 July 2008. The Company was originally incorporated as a public protected cell company and converted to a private incorporated cell company under the Companies (Jersey) Law 1991 on 29 December 2009. As a result of the Company's conversion to an incorporated cell company (an "ICC"), all of the cells of the Company in existence were themselves converted, by operation of the Companies (Jersey) Law 1991, from protected cells to incorporated cells. The Company is an expert fund within the meaning of the Collective Investment Funds (Jersey) Law 1988 as amended. Each cell represents interests in a separate portfolio of the Company each with its own distinct investment objective and policy. Separate financial statements are prepared for each cell.

REVIEW OF BUSINESS

During the year, no new cells were launched and all of the existing Cells have adequate resources to continue in operational existence for the foreseeable future.

RESULTS

The results for the year are set out in the Statement of Comprehensive Income on page 9.

GOING CONCERN

The Directors monitor the capital resources of the Company and take appropriate action as required. The Directors has performed a going concern assessment of the Company and they are of the opinion that the Company has sufficient assets to meet its commitments as they fall due. On this basis the Directors have a reasonable expectation that the Company will be able to continue in operational existence for at least 12 months from the date of signing these financial statements and therefore they continue to adopt the going concern basis of accounting in preparing these financial statements.

DIRECTORS

The Directors who held office during the year and subsequently to the date of this report are listed below:

David Ibbotson

Leanne Stuart

Ian Crosby (resigned 22 October 2024)

Guy Gilson

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The Directors of the Company are responsible for preparing the financial statements in accordance with applicable law and regulations.

Jersey Company law requires the Directors to prepare financial statements for each financial year in accordance with any generally accepted accounting principles. The financial statements of the Company are required by law to give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that year. In preparing these financial statements, the Directors should:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable;
- specify which generally accepted accounting principles have been adopted in their preparation subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis, unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping accounting records which are sufficient to show and explain its transactions and are such as to disclose with reasonable accuracy, at any time, the financial position of the Company and enable them to ensure that the financial statements prepared by the Company comply with the requirements of the Companies (Jersey) Law 1991. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Director's confirm they have complied with the above requirements in preparing the financial statements.

DISCLOSURE OF INFORMATION TO AUDITORS

So far as the Directors are aware, there is no relevant audit information of which the Company's auditors are unaware, and each Director has taken all steps that they ought to have taken as a Director in order to make themselves aware of any relevant audit information and to establish that the Company's auditors are aware of that information.

DIRECTORS' INTERESTS

No Director of the Company has an interest in the Company excluding Directors fees. The Company's management shares carry the right to vote in all circumstances at general meetings of the Company and are held by or on behalf of the Manager.

INDEPENDENT AUDITORS

Our auditors Grant Thornton Limited have indicated their willingness to continue.

L. Sbrant

Director

Independent auditor's report

To the members of Athlone Professional Investor Fund ICC

Opinion

We have audited the financial statements of Athlone Professional Investor Fund ICC (the "Company") for the year ended 31 December 2024, which comprise the Statement of Financial Position, the Statement of Comprehensive Income, the Statement of Changes in Equity, the Statement of Cash Flows and Notes to the financial statements, including material accounting policy information.

In our opinion, the accompanying financial statements:

- give a true and fair view of the financial position of the Company as at 31 December 2024, and of its result for the year then ended;
- are in accordance with IFRS Accounting Standards as issued by the International Accounting Standards Board (IASB); and
- have been prepared in accordance with the requirements of the Companies (Jersey) Law 1991.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) and applicable law. Our responsibilities under those standards are further described in the 'Auditor's responsibilities for the audit of the financial statements' section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in Jersey, including the International Code of Ethics for Professional Accountants (including International Independence Standards) issued by the International Ethics Standards Board for Accountants, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other information

The directors are responsible for the other information. The other information comprises the information included in the 'Annual Report and Audited Financial Statements', other than the audited financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Companies (Jersey) Law 1991 requires us to report to you if, in our opinion:

- proper accounting records have not been kept by the Company; or
- the Company financial statements are not in agreement with the accounting records; or

- we have not received proper returns adequate for our audit from branches not visited by us; or
- we have not obtained all the information and explanations, which to the best of our knowledge and belief, are necessary for the purposes of our audit.

Responsibilities of directors for the financial statements

As explained more fully in the Statement of Directors' Responsibilities set out on page 4, the Directors are responsible for the preparation of the financial statements which give a true and fair view in accordance with IFRS Accounting Standards as issued by the International Standards Board, and for such internal control as the Directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of the Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Use of our report

This report is made solely to the Company's members, as a body, in accordance with Section 113A of the Companies (Jersey) Law 1991. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2024

1. ACCOUNTING POLICIES

The material accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

1.1 BASIS OF PREPARATION AND STATEMENT OF COMPLIANCE

The financial statements for year ended 31 December 2024 have been prepared in accordance with IFRS accounting standards ("IFRS"), as issued by the International Accounting Standards Board ("IASB"), as well as all interpretations issued by the International Financial Reporting Interpretations Committee. The financial statements have been prepared on an accrual basis and under the historical cost basis.

The financial statements have been prepared on a going concern basis as, in the opinion of the Directors, the Company has adequate assets to continue for at least 12 months from the date of signing the financial statements.

The financial statements of the Company are presented in United States Dollars ("USD") which is the Company's presentation currency. All financial assets and liabilities are stated at amortised cost.

1.2 SIGNIFICANT ACCOUNTING JUDGEMENTS AND ESTIMATES

The preparation of the financial statements requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Management believes that the estimates utilised in preparing its financial statements are reasonable and prudent. Actual results could differ from these estimates.

1.3 NEW AND REVISED STANDARDS THAT ARE EFFECTIVE FOR ANNUAL PERIODS BEGINNING ON OR AFTER 1 JANUARY 2024

All relevant pronouncements have been adopted in the Company's accounting policies for the first period beginning after the effective date of the pronouncement. Information on new standards, amendments and interpretations that are relevant to the Company's financial statements is provided below.

* Amendment to IAS1 Presentation of Financial Statements : Classification of Liabilities as Current or Non-current

In the Directors' opinion, implementation of this amendment has had no material impact on the recognition, measurement or disclosure in the Cell's financial statements.

Standards, amendments and interpretations that are not yet effective and have not been adopted early by the Company

A number of new standards, amendments to standards and interpretations are effective for annual periods beginning after 1 January 2024, and have not been early adopted in preparing these financial statements. In the opinion of the Directors, none of these are expected to have a material effect on the financial statements of the Company.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
FOR THE YEAR ENDED 31 DECEMBER 2024

1. ACCOUNTING POLICIES

1.4 SUMMARY OF MATERIAL ACCOUNTING POLICIES

(i) Financial instruments

The Company accounts for financial assets and liabilities in accordance with IFRS 9.

a) Classification

The Director's completed a detailed assessment of the Company's financial assets and financial liabilities as at 1 January 2024. The financial assets of the Company consist of cash and receivables which are currently held at amortised cost. Under IFRS 9, each financial asset is subject to the business model test. The Directors have considered the following assessments in determining their classification:

- The business model for managing the financial asset; and
- The contractual cash flows characteristics of the financial asset.

The objective of the Company with respect to all its financial assets is not to hold these assets to maturity and the contractual payments of all the financial assets do not represent solely payment of principal and interest. After having applied the business model and contractual cash flow characteristic test, the Directors have assessed that there is no change to the classification of the financial assets or liabilities as previously disclosed.

b) Recognition and measurement

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in the Statement of Comprehensive Income.

c) Impairment

Under IFRS 9, the new impairment model requires the recognition of impairment provisions based on expected credit losses ("ECL") rather than only incurred credit losses as is the case under IAS 39. As the Company financial assets consist of receivables, the Company has elected to apply the simplified approach to impairment assessment. This approach allows the Company to recognise the loss allowance at initial recognition and throughout its life at an amount equal to lifetime ECL. ECL is a probability-weighted estimate of credit losses. A credit loss is the difference between the cash flows that are due to an entity in accordance with the contract and the cash flows that the entity expects to receive discounted at the original effective interest rate. ECL consider the amount and timing of payments, thus a credit loss arises even if the entity expects to be paid in full but later than when contractually due. The Directors have applied the ECL model in order to perform an impairment assessment of its financial assets there and are satisfied that there is no material impact on the financial statements.

d) Derecognition

A financial asset or part of a financial asset is derecognised where:

- The rights to receive cash flows from the asset have expired; and
- Substantially all risks and rewards of the asset have been transferred.

The Company derecognises a financial liability when the obligation under the liability is discharged, cancelled or expired.

(ii) Offsetting financial instruments

Financial assets and liabilities are offset and the net amount reported in the Statement of Financial Position if, and only if, there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis, or realise the asset and settle the liability simultaneously.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
FOR THE YEAR ENDED 31 DECEMBER 2024

1. ACCOUNTING POLICIES (CONTINUED)

1.4 SUMMARY OF MATERIAL ACCOUNTING POLICIES (CONTINUED)

(iii) Foreign currency translations

The functional currency of the Company is USD, as the Company's operating activities will be predominantly in USD from the launch date. The presentation currency of the Company is also the USD.

Gains and losses

Any foreign exchange gains and losses on financial assets and financial liabilities are included in the Statement of Comprehensive Income. During the year there were no gains and losses on foreign exchange.

(iv) Expenses

The operating expenses of the Company have been borne in equal proportions by the underlying Cells of the Company for the current and previous year.

(v) Segmental reporting

The Directors are of the opinion that the Company is engaged in a single segment of business, being investment business. The Company has been established as a protected cell company under the provisions of the Companies (Jersey) Law 1991. The Company is an expert fund within the meaning of the Collective Investment Funds (Jersey) Law 1988 as amended. Each cell represents interests in a separate portfolio of the Cell each with its own distinct investment objective and policy. As at the year end, the Company had one cell being Forhaven IC (the "Cell"). Separate financial statements are prepared for the Cell.

(vi) Taxation

The Company is assessed under Article 123C of the Income Tax (Jersey) Law 1961, as amended, as a Jersey resident company, which is neither a 'utility company' nor a 'financial services company' and as such is charged Jersey Income Tax at the rate of 0%.

A Jersey goods and services tax ("GST") applies at a standard rate of 5% on the majority of goods and services supplied in Jersey for local use or benefit. As a fund services business, the Company has obtained International Services Entity status under the Goods and Services Tax (Jersey) Law 2007. In connection with its International Services Entity status the Company pays an annual fee to the Comptroller of Income Tax in Jersey. As an International Services Entity, the Company is not required to charge GST and in most situations will not be subject to a GST charge on goods and services provided to it.

(vii) Related parties

Related parties are entities which have the ability, directly or indirectly, to control the other party or exercise significant influence over the other party in making financial and operating decisions. The related parties are disclosed in note 6.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
FOR THE YEAR ENDED 31 DECEMBER 2024

2. SHARE CAPITAL

	As at 31 December 2024	As at 31 December 2023
Authorised Shares	Number of Shares	Number of Shares
Ordinary share of no par value	Unlimited	Unlimited

Ordinary shares issued and unpaid	Number of Shares	Number of Shares
Ordinary shares of no par value	2	2

The Company has appointed Stonehage Fleming Corporate Services Limited (the "Manager"), to be responsible for the overall management of its affairs. The Manager has been appointed to manage the Company subject to the overall supervision of the Directors and to supervise the implementation of the investment objective and strategies of each Cell subject to any investment restrictions. The Manager has 100% of the ordinary shares.

Ordinary shares are only issued at a nominal issue price to be determined by the Directors and to such person or persons as the Directors may determine. The ordinary shares shall confer upon the holders thereof the right in a winding-up or repayment of capital to the repayment of the amount paid up on the ordinary shares and to have distributed among the members pro-rata to the number of ordinary shares held all the surplus monies then remaining in the Company as non-cellular assets.

3. COMMITMENTS AND CONTINGENCIES

There were no commitments and contingencies at the end of the reporting year.

4. ULTIMATE CONTROLLING PARTY

The Directors consider the Stonehage Fleming Group to be the ultimate controlling party.

5. GOING CONCERN

The Directors monitor the capital resources of the Cell and take appropriate action as required. The Directors has performed a going concern assessment of the Cell and they are of the opinion that the Cell has sufficient assets to meet its commitments as they fall due. On this basis the Directors have a reasonable expectation that the Cell will be able to continue in operational existence for 12 months following the signing of these financial statements and therefore they continue to adopt the going concern basis of accounting in preparing these financial statements.

6. RELATED PARTIES

All expenses of the Company are covered by the Cell in equal proportion as disclosed in note 1.4 (iv).

7. SUBSEQUENT EVENTS

In the opinion of the Directors, there are no significant events subsequent to the year-end that require adjustment or disclosure in the financial statements.

8. FINANCIAL RISK MANAGEMENT

(a) Strategy in using financial instruments

The following types of risk exist, market risk (comprising price risk, interest rate risk and currency risk), liquidity risk and credit risk, arising from the financial instruments it holds. The risk management policies employed by the Company to manage these risks are disclosed on the following page.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
FOR THE YEAR ENDED 31 DECEMBER 2024

8. FINANCIAL RISK MANAGEMENT (CONTINUED)

(b) Market risk

Market risk arises from uncertainty about the future value of assets held. It represents the potential loss the Company might suffer, through holding market positions, in the face of movements in prices, interest rates or currency rates. The Company is not subject to any significant price risk or interest risk.

(c) Liquidity Risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting obligations arising from its financial liabilities. Generally, as the operating expenses of the Company, including audit fees, have been borne by the Cell, any liabilities of the Company will also be borne by the Cell. Therefore, the liquidity risk of the Company is reduced. The Company has liabilities at the year end of GBP nil (2023: GBP nil).

(d) Credit Risk

The Company's maximum credit risk exposure at the year end is represented by the respective carrying amount of the relevant financial assets in the Statement of Financial Position. Assets of the Company comprise of unpaid share capital. The credit quality of the assets is based on the assessment by the management, who monitor the credit position on a regular basis. None of the above assets are past due or impaired and it is believed that the risk of default is small and the capital repayments and interest payments will be made in accordance with the agreed terms and conditions.

(e) Capital Management

The share capital is considered to be the capital of the Company. The Company has no regulatory or other capital adequacy requirements. The Directors of the Company monitor the capital to ensure the Company continues as a going concern.
